Subject: Comment Request-Abandonment 785-Northfield Road

Good Morning,

Please be advised that the Property Acquisition Section of the Montgomery County Department of Transportation (MDOT), pursuant to Montgomery County Code section 49-62(e), will soon receive an Executive Order authorizing a Public Hearing to consider an application for abandonment received from Bradley and Sophie Buslik (the "Applicant"), for the abandonment of a portion of public right of way covering approximately 3405 square feet of the public right of way known as Northfield Road that abuts their properties at 8401 Moorland and 5423 Northfield Road. The right of way to be abandoned was dedicated to public use in 1939 by Subdivision Plat No. 1064 entitled "Greenwich Forest." While the right of way was anticipated for public vehicular use, the right of way currently terminates in a stub that is functioning as the sole driveway to the Applicant's properties. Having never been constructed to public use standards, the Abandonment Area is a gravel road that, according to the Applicant, has never been maintained by the County. The southern half of the 1ight of way contains a paved pedestrian path that provides a link to Greenwich Neighborhood Park; the Applicant's petition for the abandonment of the northern half of the 1ight of way will not impact the pedestrian path. The Abandonment Area is being sought in connection with the Applicant's plan to subdivide these two properties into a single parcel.
