MCDOT's Neighborhood Greenways Aim to Make Local Roads More Friendly for Pedestrians and Bicyclists

August 27, 2020

Four local streets in Montgomery County will be transformed into more friendly roadways for pedestrians, bicyclists and other non-vehicular users, as MCDOT unveils the newest "Shared Streets" in a program that encourages roads to be shared by vehicles and other users. Shared Streets "Temporary Neighborhood Greenways" limit vehicular traffic to local traffic only, providing access to residents, service providers and deliveries. [Learn more.](#)
