**Importance:** High

Good morning all,

I hope this email finds you well and that everyone is staying safe during this time.

I am submitting this email to request comments to consider an application for abandonment received from Miles & Stockbridge, PC on behalf of their clients for the abandonment of Ellsworth Drive in Silver Spring. The Applicants are requesting the abandonment of the Upper Ellsworth area and the Access Easement area in connection with their plan to revitalize, expand, and upgrade the public use spaces and amenities located within Downtown Silver Spring. Attached, please find the following information concerning the application:

1. Letter from the Applicant dated April 20, 2020
2. Exhibit C from Applicant Letter – Areas to be Abandoned
3. Exhibits K1 and K2 from Applicant Letter – Detailed Plan for Abandonments, and Illustrative Site Plan (respectively)

**(Further information is available upon request)**

Please review the attached and submit any comments you may have concerning the subject request to me no later than **August 4<sup>th</sup>, 2020**. Please be advised once the Public Hearing date has been scheduled, I will submit a separate notification concerning the event details. It has been advised, should your company have a strong position it wishes to advocate before the Hearing Officer, it would likely be beneficial to have such representation present for the Hearing in order to be able to respond to anything that the Petitioner represents.

I thank you in advance for your consideration and attention to this matter. Should you have any questions, please feel free to give me a call.

Kind regards,

Tiara McCray
