Notice of Virtual Public Hearing for Proposed Sidewalk Construction

Kenwood Park Community Sidewalk Proposal
Wednesday, March 1, 2023, at 7 p.m.

Pursuant to Section 49-53 of the Montgomery County Code, a public hearing is required as part of the final decision-making process. A public hearing allows residents the opportunity to present oral and/or written testimony to a hearing officer, the sole purpose being to obtain detailed information to assist in determining whether to recommend all or part of the proposed installation.

Please register to attend:

<https://montgomerycountymd.gov/dot-dte/sidewalk/Kenwood Park.html>

For your ease and reference, instructions on connecting to the Zoom platform are enclosed.

If you would like or need an *interpreter*, please contact Lori Jean Main no later than February 22, 2023, at Lori.Main@montgomerycountymd.gov.

Persons unable to attend the scheduled hearing are encouraged to submit written testimony to the Sidewalk Program via email to Lori.Main@montgomerycountymd.gov. **Written testimony carries the same weight as verbal testimony, and you are welcome to submit either or both.**

Following the virtual public hearing, the Hearing Record will be held open for four weeks during which you may submit your written testimony if you have not done so already. The Record for the project will close on Wednesday, March 29, 2023, at 5 p.m.

Please visit the Sidewalk Program website at <https://montgomerycountymd.gov/dot-dte/sidewalk/Kenwood Park.html> if you would like to view the proposal files. Likewise, you are welcome to contact Ms. Main at her above email address to obtain information regarding the project and public hearing process.

Thank you!
