Notice of Public Hearing for Proposed Sidewalk Construction

Old Baltimore Road Sidewalk Proposal Wednesday, November 9, 2022, at 7:00pm

Dear Residents:

As you know, the Montgomery County Department of Transportation (MCDOT), Division of Transportation Engineering (DTE) has proposed a new sidewalk connection along **Old Baltimore Road** from **Menden Farm Drive** to the **path at the lake**.

Pursuant to Section 49-53 of the Montgomery County Code, a public hearing is required as part of the final decision-making process. A public hearing allows residents the opportunity to present oral and/or written testimony to a hearing officer, the sole purpose being to obtain detailed information to assist in determining whether to recommend all of part of the proposed installation.

Please register to attend:

If you would like or need an *interpreter*, please contact Lori Jean Main no later than *Monday, October 31, 2022*, at lori.main@montgomerycountymd.gov.

Persons unable to attend the scheduled hearing are encouraged to submit written testimony to the Sidewalk Program via email at Lori.Main@montgomerycountymd.gov. **Written testimony carries the same weight as verbal testimony, and you are welcome to submit either or both.**

Following the virtual public hearing, the Hearing Record will be held open for four weeks during which you may submit your written testimony if you have not done so already. The Record for the project will close on Wednesday, December 7, 2022, at 5:00pm.
