## 19A.17.01.01 Purpose.

Montgomery County's Public Ethics Law identifies with specificity certain County positions the occupants of which are required to file financial disclosure statements. The law also authorizes the County Executive to designate additional positions by regulations issued under method (2) after finding that filing a financial disclosure report is desirable to promote the trust and confidence of [the] citizens in their County government. This regulation implements the law and identifies statutory and County Executive-designated positions required to file financial disclosure statements.

## 19A.17.01.02 Definitions.

**CAO** means the Chief Administrative Officer or designee.

**County Agency** or **Agency** has the same meaning ascribed to it in Chapter 19A of the Montgomery County Code.

**Public Employee** or **employee** has the same meaning ascribed to it in Chapter 19A of the Montgomery County Code.

## 19A.17.01.03 Requirement.

- A. Public employees who must file annually.** A public employee holding one of the positions identified in the attached schedule at the end of the calendar year must file a sworn annual financial disclosure statement (public, limited public (LP), confidential, or any other statutorily mandated type of filing) for that calendar year under the Public Ethics Law, Article IV, Financial Disclosure. Positions designated as "LP" must file a limited public annual financial disclosure statement under § 19A-17(a)(6), and, if indicated, a confidential financial disclosure statement.
- B.
