

About Us :

What Makes Us Unique?

Divine by Design Mentoring Co. stands out from other mentoring companies because we are a trauma informed therapeutic mentoring company. Highly skilled and educated mentors carry out the services, trainings and groups. DbD is committed to ensuring our youth are healthy emotionally and are equipped with coping skills for when life happens. We also provide judgement free, safe environments for girls to express themselves and receive and guidance.

Divine by Design Mentoring Co is a 501c (3) Nonprofit that has a heart for young women in underserved communities.

The mission of Divine by Design Mentoring Co. is to inspire and empower vulnerable at-risk girls in order to help them live out their full potential. By creating mentoring relationships, teaching leadership skills, self-confidence, independence and self-worth the program helps girls find their voice and purpose!
