## Paradigm Shifts in Cardiac Arrests

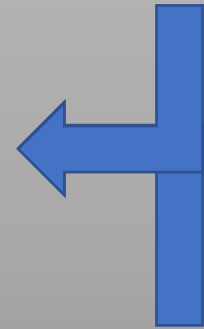

### The "Second" Lifepak

#### *Question:*

Are you thinking about **cancelling** the **2nd ALS Resource** enroute to a **Cardiac Arrest** when you have 2 medics on the 1st ALS resource?"

#### *Answer:*

***Don't do it!!!***

## Why?

The 2024 Maryland Medical Protocol indicates that **2 LifePaks** might be needed to treat certain cardiac arrest patients.
