## FIRE CHIEF'S GENERAL ORDER

Rescinded 10/09/13 NUMBER: 10-04

June 1, 2010

TO: All MCFRS Personnel

FROM: Richard R. Bowers, Fire Chief

SUBJECT: Maryland Medical Protocol Update

This is a reminder that all personnel **must** complete the MIEMSS Medical Protocol update **by June 30, 2010**. The two different levels of the Protocol update are based on your level of certification: either BLS or ALS. MCFRS Personnel may complete the MIEMSS Medical Protocol update by either of the two methods indicated below:

1. The **on-line method** may be accessed at [www.MIEMSS.org](http://www.MIEMSS.org). The directions for completing the update by this method are found on that site.
2. The update may also be completed by **attending an instructor-led session at the worksite**. A Maryland Medical Protocol Update DVD, containing **both BLS and ALS versions**, along with a copy of the sign-in attendance sheet, will be provided by the PSTA's ALS Training Officer to all worksites. **To receive credit for completing the update, all personnel in attendance must complete and return that sign-in attendance sheet to Nurse Clinician Linda Arapian at the PSTA.**

Disciplinary action may be taken for those who fail to meet this State-mandated Protocol update.

Questions may be addressed to EMS Section Chief Diane Zuspan at 240-777-2453.

This Fire Chief's General Order replaces FCGO 09-12.
