TO: All DFRS Personnel

FROM: *Ramon F. Granados*
Ramon F. Granados, Director
Department of Fire and Rescue Services

SUBJECT: Property Section

Effective immediately, all personnel reporting to the Property Section for the requisitioning of property items are to be prepared to show appropriate personal identification when asked to do so by Property Section staff. Appropriate identification consists of either the Department of Fire and Rescue Services picture identification card or a valid picture driver's license.

Effective immediately, and due to the size of the Property Section and its location within the Council Office Building, only personnel actually requisitioning property items should come inside the building. Personnel arriving on fire/rescue apparatus, but not requisitioning property items, should remain with the apparatus. All personnel are reminded that the offices of the County Council and numerous other County agencies are located in this building.
