## DTS GIS Vision Zero Report

### Problem Observed #5    Long Wait to Cross

Location:	379 Hungerford Dr Rockville, MD 20850
Issue reported during:	Walking
Problem observed:	Long Wait to Cross
Additional details:	Since there are lots of cars on the other side of Beall Ave. And very short distance for them to wait, the wait for cross is too long
When did the problem occur:	1551277388267
Number of Votes:	None
Public View:	Yes
