LAC zoom meeting 7/21/20

Present: Andrea Murphy, Ralph Hitchens, Barbara Ebbert, Liz Bowen, Tom Nightengale

- Discussion of activities and fundraising. Ralph says there is not much need for funds. Brandon says not much will be going on until schools reopen.
- Ralph considers being chair.
- Tom joins meeting, gives financial report. There's \$1521.15 in the bank. We can use it to sponsor virtual programming online. People can join from anywhere.
- Liz says we have a teen/adult librarian named Sharat.
- The costs for virtual programming include paying for performers and supplies. Liz is considering doing "crafts to go".
- Last month's minutes were approved.
- Jackie will consider rejoining the LAC when we're no longer on Zoom.
- We discussed the need for new LAC members. Liz does not want to put brochures on the hold table because it might cause people to linger. She would put it on Poolesville Facebook page.
- People want to donate books. We can't accept them yet.
- The library refresh is on hold. Poolesville is after Germantown.
- Brandon is glad we had elections. We need to recruit people. Some LAC groups are gone now due to current situation.
- Tracy has moved back and is interested in rejoining.
- Next meeting is September 16th, time unspecified.
