

OCEANS OF POSSIBILITIES

MCPL's 2022 Summer Reading Challenge!

June 15–August 31 • For Children Ages 0–12

How is my child helping to save the Bay?

When you read 4 books and/or complete 4 activities to finish Mission 1, the Chesapeake Bay Foundation will plant trees along streams and rivers in the Chesapeake Bay watershed to celebrate your achievements and save the environment!

When you read 4 books and/or complete 4 activities to finish Mission 2, the Chesapeake Bay Foundation will plant oysters into the Chesapeake Bay to celebrate your achievements and clean the waters of the Bay!

When you read 4 books and/or complete 4 activities to finish Mission 3, the Chesapeake Bay Foundation will send volunteers out to clean up habitats all around the Bay area, including places where tundra swans, diamondback terrapins, and osprey live!

Who is planting the trees, oysters, etc.?

The Chesapeake Bay Foundation

Can my family help plant the trees, oysters, etc.?

The Chesapeake Bay Foundation is always looking for volunteers to help support their mission. Find out more about volunteering with the CBF here: <https://www.cbf.org/about-cbf/locations/maryland/offices/annapolis/volunteer.html>
