The Honorable Isiah Leggett
County Executive
1010 Monroe Street, 2nd Floor
Rockville, MD 20850

Dear County Executive Leggett:

On behalf of the Mid-County Citizens Advisory Board, I would like to thank you for meeting on September 9 to listen to the FY 15 Capital Improvements Program (CIP) priorities of our Board and the other Citizens Advisory Boards. We appreciate the opportunity that you provided to express the priorities of our communities, learn more from you about how CIP decisions are made, and hear from the other Citizens Advisory Boards.

You inquired about a particular sidewalk location that our Board requests, listed as item 6 on Olney priorities. The sidewalk on the east side of Georgia Avenue north of Hillcrest Avenue should be extended to connect with Prince Philip Drive. This would enhance pedestrian safety to and from the Olney Town Center area from points north.

Thank you again and best regards,

Kieran C. McHargue
Chair
