Program Goals

- Provide funding to licensed child care providers located in Montgomery County to cover the cost of quality child care funding for infants and toddler (age 6 weeks through 3 years old) child care seats.
- The grant aims to enhance the availability of high-quality infant and toddler child care seats and address the needs of families that do not meet the eligibility criteria for current early childhood public programs.
- This grant is designed to alleviate the financial burden on child care programs, **covering the entire tuition costs so qualified families do not bear any expenses** towards tuition.
- Programs seeking funds would **apply for a designated number of seats**, and eligibility would be assessed according to County-established criteria.
