Self-Guided Training

The Office of Racial Equity and Social Justice now has self-guided trainings available through registration in AccessMCG ePortal.

You can access 'Understanding Structural Racism in Montgomery County', 'Advancing Racial Equity: The Role of Government' (via the Government Alliance on Race and Equity's website) and the 'Office of Racial Equity and Social Justice Self-Guided Training' by logging on to the AccessMCG ePortal. Once there, go to Employee Self Service, then Learner Home. Under the Search field "Class," enter the keyword "self-guided".
