Contractor must keep this insurance in full force and effect during the term of this contract, including all extensions. Unless expressly provided otherwise, Table A is applicable to this contract. The insurance must be evidenced by one or more Certificate(s) of Insurance and, if requested by the County, the proposed awardee/contractor must provide a copy of any and all insurance policies to the County. 22. INTELLECTUAL PROPERTY APPROVAL AND INDEMNIFICATION - INFRINGEMENT

If contractor will be preparing, displaying, publicly performing, reproducing, or otherwise using, in any manner or form, any information, document, or material that is subject to a copyright, trademark, patent, or other property or privacy right, then contractor must: obtain all necessary licenses, authorizations, and approvals related to its use; include the County in any approval, authorization, or license related to its use; and indemnify and hold harmless the County related to contractor's alleged infringing or otherwise improper or unauthorized use. Accordingly, the contractor must protect, indemnify, and hold harmless the County from and against all liabilities, actions, damages, claims, demands, judgments, losses, costs, expenses, suits, or actions, and attorneys' fees and the costs of the defense of the County, in any suit, including appeals, based upon or arising out of any allegation of infringement, violation, unauthorized use, or conversion of any patent, copyright, trademark or trade name, license, proprietary right, or other related property or privacy interest in connection with, or as a result of, this contract or the performance by the contractor of any of its activities or obligations under this contract.

23. INFORMATION SECURITY

A. Protection of Personal Information by Government Agencies:

In any contract under which Contractor is to perform services and the County may disclose to Contractor personal information about an individual, as defined by State law, Contractor must implement and maintain reasonable security procedures and practices that: (a) are appropriate to the nature of the personal information disclosed to the Contractor; and (b) are reasonably designed to help protect the personal information from unauthorized access, use, modification, disclosure, or destruction. Contractor's requirement to implement and maintain reasonable security practices and procedures must include requiring any third-party to whom it discloses personal information that was originally disclosed to Contractor by the County to also implement and maintain reasonable security practices and procedures related to protecting the personal information. Contractor must notify the County of a breach of the security of a system if the unauthorized acquisition of an individual's personal information has occurred or is reasonably likely to occur, and also must share with the County all information related to the breach. Contractor must provide the above notification to the County as soon as reasonably practicable after Contractor discovers or is notified of the breach of the security of a system. Md. Code Ann., State Gov't. § 10-1301 through 10-1308 (2013).

B. Payment Card Industry Compliance:

In any contract where the Contractor provides a system or service that involves processing credit card payments (a "Payment Solution"), the Payment Solution must be Payment Card Industry Data Security Standard Compliant ("PCI-DSS Compliant"), as determined and verified by the Department of Finance, and must (1) process credit card payments through the use of a Merchant ID ("MID") obtained by the County's Department of Finance by and in the name of the County as merchant of record, or (2) use a MID obtained by and in the name of the Contractor as merchant of record.

24. NON-CONVICTION OF BRIBERY

The contractor hereby declares and affirms that, to its best knowledge, none of its officers, directors, or partners or employees directly involved in obtaining contracts has been convicted of bribery, attempted bribery, or conspiracy to bribe under any federal, state, or local law.

25. NON-DISCRIMINATION IN EMPLOYMENT

The contractor agrees to comply with the non-discrimination in employment policies and/ or provisions prohibiting unlawful employment practices in County contracts as required by Section 11B 33 and Section 27 19 of the Montgomery County Code, as well as all other applicable state and federal laws and regulations regarding employment discrimination.

The contractor assures the County that, in accordance with applicable law, it does not, and agrees that it will not, discriminate in any manner on the basis of race, color, religious creed, ancestry, national origin, age, sex, marital status, disability, or sexual orientation.

The contractor must bind its subcontractors to the provisions of this section.

26. PAYMENT AUTHORITY

No payment by the County may be made, or is due, under this contract, unless funds for the payment have been appropriated and encumbered by the County. Under no circumstances will the County pay the contractor for legal fees. The contractor must not proceed to perform any work (provide goods, services, or construction) prior to receiving written confirmation that the County has appropriated and encumbered funds for that work. If the contractor fails to obtain this verification from the Office of Procurement prior to performing work, the County has no obligation to pay the contractor for the work.

If this contract provides for an additional contract term for contractor performance beyond its initial term, continuation of contractor's performance under this contract beyond the initial term is contingent upon, and subject to, the appropriation of funds and encumbrance of those appropriated funds for payments under this contract. If funds are not appropriated and encumbered to support continued contractor performance in a subsequent fiscal period, contractor's performance must end without further notice from, or cost to, the County. The contractor acknowledges that the County Executive has no obligation to recommend, and the County Council has no obligation to appropriate, funds for this contract in subsequent fiscal years. Furthermore, the County has no obligation to encumber funds to this contract in subsequent fiscal years, even if appropriated funds may be available. Accordingly, for each subsequent contract term, the contractor must not undertake any performance under this contract until the contractor receives a purchase order or contract amendment from the County that authorizes the contractor to perform work for the next contract term.

Informal Solicitation # 1092607

27. P-CARD OR SUA PAYMENT METHODS

The County is expressly permitted to pay the vendor for any or all goods, services, or construction under the contract through either a procurement card ("p-card") or a Single Use Account("SUA") method of payment, if the contractor accepts the noted payment method from any other person. In that event, the County reserves the right to pay any or all amounts due under the contract by using either a p-card (except when a purchase order is required) or a SUA method of payment, and the contractor must accept the County's p-card or a SUA method of payment, as applicable. Under this paragraph, contractor is prohibited from charging or requiring the County to pay any fee, charge, price, or other obligation for any reason related to or associated with the County's use of either a p-card or a SUA method of payment.

28. PERSONAL PROPERTY

All furniture, office equipment, equipment, vehicles, and other similar types of personal property specified in the contract, and purchased with funds provided under the contract, become the property of the County upon the end of the contract term, or upon termination or expiration of this contract, unless expressly stated otherwise.

29. TERMINATION FOR DEFAULT

The Director, Office of Procurement, may terminate the contract in whole or in part, and from time to time, whenever the Director, Office of Procurement, determines that the contractor is:

- (a) defaulting in performance or is not complying with any provision of this contract;
- (b) failing to make satisfactory progress in the prosecution of the contract; or
- (c) endangering the performance of this contract.

The Director, Office of Procurement, will provide the contractor with a written notice to cure the default. The termination for default is effective on the date specified in the County's written notice. However, if the County determines that default contributes to the curtailment of an essential service or poses an immediate threat to life, health, or property, the County may terminate the contract immediately upon issuing oral or written notice to the contractor without any prior notice or opportunity to cure. In addition to any other remedies provided by law or the contract, the contractor must compensate the County for additional costs that foreseeably would be incurred by the County, whether the costs are actually incurred or not, to obtain substitute performance. A termination for default is a termination for convenience if the termination for default is later found to be without justification.

30. TERMINATION FOR CONVENIENCE

This contract may be terminated by the County, in whole or in part, upon written notice to the contractor, when the County determines this to be in its best interest. The termination for convenience is effective on the date specified in the County's written notice. Termination for convenience may entitle the contractor to payment for reasonable costs allocable to the contract for work or costs incurred by the contractor up to the date of termination. The contractor must not be paid compensation as a result of a termination for convenience that exceeds the amount encumbered to pay for work to be performed under the contract.

31. TIME

Time is of the essence.

32. WORK UNDER THE CONTRACT

Contractor must not commence work under this contract until all conditions for commencement are met, including execution of the contract by both parties, compliance with insurance requirements, encumbrance of funds, and issuance of any required notice to proceed.

33. WORKPLACE SAFETY

The contractor must ensure adequate health and safety training and/or certification, and must comply with applicable federal, state and local Occupational Safety and Health laws and regulations.

Addendum to The General Conditions of Contract Between County and Contractor

- A. This contract is subject to the Wage Requirements Law, found at Section 11B-33A of the Montgomery County Code (“WRL” or “11B-33A”). A County contract for the procurement of services must require the contractor and any of its subcontractors to comply with the WRL, subject to the exceptions for particular contractors noted in 11B-33A (b) and for particular employees noted in 11B-33A (f).
- B. Conflicting requirements (11B-33A (h)): If any federal, state, or County law or regulation requires payment of a higher wage, that law or regulation controls. For an existing County Contract, if an applicable collective bargaining agreement (CBA) that existed prior to May 10, 2016, governs the parties, then that CBA controls. If the term of the CBA mentioned in the preceding sentence ends during the Contract, the WRL will then control.
- C. A nonprofit organization that is exempt from the WRL under 11B-33A (b)(3), must specify, in each bid or proposal, the wage the organization intends to pay to those employees who will perform direct, measurable work under the contract, and any health insurance coverage the organization intends to provide to those employees. Section 11B-33A (c)(2).
- D. A contractor must not split or subdivide a contract, pay an employee through a third party, or treat an employee as a subcontractor or independent contractor, to avoid the imposition of any requirement in 11B- 33A. Section 11B-33A (c)(3).
- E. Each contractor and subcontractor covered under the WRL must: certify that it is aware of and will comply with the applicable wage requirements; keep and submit any records necessary to show compliance; and conspicuously post notices approved and/or supplied by the County, informing employees of the requirements in 11B-33A. Section 11B-33A (i).
- F. An employer must comply with the WRL during the initial term of the contract and all subsequent renewal periods, and must pay the adjusted wage rate increase required under 11B-33A (e)(2), if any, which is effective July 1 of each year. The County will adjust the wage rate by the annual average increase in the Consumer Price Index for all urban consumers for the Washington-Baltimore metropolitan area, or successor index, for the previous calendar year and must calculate the adjustment to the nearest multiple of 5 cents. Section 11B- 33A (e)(2).
- G. An employer must not discharge or otherwise retaliate against an employee for asserting any right, or filing a complaint of a violation, under the WRL. Section 11B-33A (i)(3).
- H. The sanctions under Section 11B-33 (b), which apply to noncompliance with nondiscrimination requirements, apply with equal force and scope to noncompliance with the wage requirements of the WRL. Section 11B- 33A (i)(4).
- I. In the event of a breach of this contract as a result of a contractor’s or subcontractor’s violation of the WRL, the County may seek its available remedies, which include but are not limited to liquidated damages, withholding of payment, and recoupment of audit costs that are described below. The Contractor is jointly and severally liable for any noncompliance by a subcontractor. An aggrieved employee, as a third-party beneficiary, may, by civil action against the violating Contractor or subcontractor, enforce the payment of wages due under the WRL and recover from the Contractor or subcontractor any unpaid wages with interest, a reasonable attorney’s fee, and damages for any retaliation by the Contractor or subcontractor arising from the employee asserting any right, including filing a complaint under the WRL. Section 11B-33A (i)(5). Furthermore, the contractor expressly acknowledges that the County may assess liquidated damages against the Contractor in the event that it, as a covered employer, fails to pay the required wage, or violates the wage reporting or payroll records reporting requirement found at 11B-33A (g), including providing late or inaccurate payroll records.

(i) Liquidated Damages

The County may assess liquidated damages for any noncompliance by contractor or its subcontractor at the rate of 1% per day of the total contract amount, or the estimated annual contract value of a requirements contract, for each day of the violation. This liquidated damages amount in addition to the amount of any unpaid wages, with interest. The Contractor must pay to the County liquidated damages noted above, in addition to any other remedies available to the County. Contractor and County acknowledge that damages that would result to the County as a result of a breach under the WRL are difficult to reasonably ascertain, and that the liquidated damages provided for in this paragraph is a fair and reasonable estimate of damages the County would incur as a result of contractor’s or subcontractor’s violation of the WRL.

(ii) Withholding of Payment

If the Director determines that a provision of the WRL has been violated, the Director must issue a written decision, including imposing appropriate sanctions and assessing liquidated damages (as outlined above) and audit costs (as outlined below), and may withhold from payment due the contractor, pending a final decision, an amount sufficient to: (a) pay each employee of the contractor or subcontractor the full amount of wages due under the WRL; (b) reimburse the County for audit costs; and (c) satisfy a liability of a contractor or subcontractor for liquidated damages.

Informal Solicitation # **1092607**

(iii) Audit Costs

If the County determines, as a result of a WRL audit, that the Contractor has violated requirements of the WRL, the Contractor must reimburse to the County the cost incurred by the County in conducting the audit. Section 11B-33A (i)(2)(C).

- J. The County must conduct, and the contractor or subcontractor must comply with, random or regular audits to assure compliance with the WRL. Section 11B-33A (i)(2). The Director may conduct an on-site inspection(s) for the purpose of determining compliance. Some of the documents that may be required during an audit are listed on the Wage Requirements Law FAQ web page:
<http://www.montgomerycountymd.gov/PRO/DBRC/WRL.html>
- K. The Contractor is in breach of this Contract if the Contractor fails to submit timely documentation demonstrating compliance with the WRL to the satisfaction of the Director, including: the Wage Requirements Law Payroll Report Form (PMMD-183), which is required to be submitted by the 14th day of the month following the end of each quarter (January, April, July, October); documents requested in conjunction with a random or regular audit by the County; or, documents otherwise requested by the Director. Section 11B-33A (g)(2).

If a contractor or subcontractor fails to submit, or is late in submitting, copies of any payroll record or other report required to be submitted under the WRL, the County may deem invoices unacceptable until the contractor or subcontractor provides the required records or reports, and may postpone processing payments due under the contract or under an agreement to finance the contract.

For any questions, please contact the Wage Requirements Law Program Manager at 240-777-9918 or WRL@montgomerycountymd.gov.

- A. Wage Requirements Compliance
 This Contractor, as a “covered employer”, must comply with the requirements under Montgomery County Code Section 11B-33A, “Wage Requirements” (“Wage Requirements Law” or “WRL”). Contractor and its subcontractors must pay all employees not exempt under the WRL, and who perform direct measurable work for the County, the required gross wage rate effective at the time the work is performed. For employees who are not paid an hourly wage, Contractor’s compliance with the WRL must be measured by dividing the amount paid to the employee each pay period by the number of hours worked by that employee during each pay period. A covered employer must not make any deduction for any item necessary for an employee to perform the essential job function unless the deduction is permitted by Executive Regulation. The offer price(s) submitted under this solicitation include(s) sufficient funds to meet the requirements of the WRL. A “covered employer” must submit, within 14 days after the end of each quarter (by the 14th of January, April, July, and October, for the quarter ending the preceding month), certified payroll records for each payroll period and for all employees of the contractor or a subcontractor performing services under the County contract governed by the WRL. The payroll records must contain a statement signed by the contractor or subcontractor certifying that the payroll records are correct and the wage rates paid are not less than those required by the WRL. These payroll records must include the following: name, address and telephone number of the contractor or subcontractor; the name and location of the job; and each employee’s name, current home address, daily straight time and overtime hours, total straight time and overtime hours for the payroll period, rate of pay, fringe benefits by type and amount, gross wages, race and gender of the employee, and the employer and the employee share of any health insurance premium provided to the employee. The Contractor must ensure that **NO** Social Security number of any person, other than the last four digits, is included on the quarterly report. A sample, blank Payroll Report Form, for your use and completion, can be found at: <http://www.montgomerycountymd.gov/PRO/DBRC/WRL.html> . The above must be submitted to the Division of Business Relations and Compliance, Attn: Wage Requirements Law Program Manager (preferably via email to WRL@montgomerycountymd.gov),

Each Contractor must: keep payroll records covering work performed on a contract covered by the WRL for not less than 5 years after the work is completed; and, subject to reasonable notice, permit the County to inspect the payroll records at any reasonable time and as often as the County deems necessary. If the Contractor or subcontractor fails to submit, or is late in submitting, copies of any payroll record or other report required to be submitted under the WRL, the County may deem invoices unacceptable until the Contractor or subcontractor

provides the required records or reports, and may postpone processing payments due under the contract or under an agreement to finance the contract. A violation of the WRL, including the late submission or non-submission of the information noted above, may result in action by the County, including: (a) withholding contract payments, reducing payment amounts, or otherwise assessing damages against Contractor, in an amount sufficient to: (i) pay each employee of the Contractor or subcontractor the full amount of wages due under the WRL; (ii) reimburse the County for audit costs; or (iii) satisfy a liability of a contractor or subcontractor for liquidated damages; (b) terminating the contract; or, (c) otherwise taking action to enforce the contract or the WRL. Violation of the WRL may also result in a finding of non-responsibility for a future contract, or may form the basis for debarment or suspension.
