**LIFEGUARD TRAINING**

MCR-Aquatics offers American Red Cross courses for potential aquatics professionals. Participants must meet all prerequisites and attend all sessions. Call the facility for further information.

This course will train students to be certified in American Red Cross Lifeguarding, First Aid and CPR/AED for Professional Rescuer. Certifications are valid for two years. Attendance is required at all sessions to earn certification. Students must be at least 15 years old by the last day of the course. Proof of age is required at the first class. This course includes a pre-course check, which takes place on the first date listed for each Lifeguard Training course. Participants must pass the pre-course to continue. The pre-course consists of three parts:

1. Swim 300 meters using front crawl or breaststroke.
2. Tread water for two minutes using only legs.
3. Swim 20 yards using free or breaststroke, surface dive to seven-10 feet, retrieve a 10-pound object, return to the surface, swim 20 yards on your back to starting position and exit the water on your own in under one minute 40 seconds.

Enrollment in this course does not guarantee certification. Students must pass written and physical exams. Course length is based on number of instructional hours, not the number of sessions. Each pool conducts courses based on the pool schedule. Cost of the course is $135.

Swim Lessons

Indoor Swim Lesson Registration will begin

**November 12 at 6:30 a.m.**
for residents

**November 13 at 6:30 a.m.**
for non-residents

Registrations will not be processed before this time. In person registration between 6:30 and 8:30 a.m. will be held at the indoor aquatic centers only.

**Please note the following:**

Parents: in order to assist us in offering a quality program for your child, you may not remain at the class unless it is otherwise stated in the description. Experience has shown that children are easily distracted. Observation is allowed from designated areas only. At some facilities, clear observation may not be possible. Observation is not possible at the MLK pool. Class fee covers only the lessons and no other use of the facility. Participants may enter the locker rooms ten minutes before the start of class. Lesson questions should be directed to the facility where you wish to enroll.

For a detailed list of skills taught in each class, please inquire at the pool where you will be taking lessons.

Indoor courses meet for six 30-minute sessions. Fees range from $58 to $67 depending on the level and the number of participants. Non-county residents are charged an additional $15 fee.

Read course descriptions carefully and select the level at which the student has mastered all prerequisite skills. Review the Guidelines for Placement in Swim Classes on the following page.

If you are unsure of the student’s level or ability, evaluations are available at each indoor facility for one hour after the last lesson every Saturday and Sunday. All other times are by appointment.

Registrations will not be accepted after the first lesson. There are no transfers. If you have enrolled in the incorrect level, you will be withdrawn and withdrawal fees will apply.

**Aquatics Lesson Weather Policy**

When an indoor lesson is canceled due to inclement weather, a practice pass will be given to each participant at the end of the session. Practice passes can be used for admission to a recreational swim session at any Montgomery County Recreation aquatic center. Practice passes expire six months from the date of issue and are valid for one adult and one child. When two or more lessons are canceled due to inclement weather, a pro-rated credit will be issued to the payer’s ActiveMONTGOMERY account at the end of the session. The credit issued will be for the cost of the canceled lesson(s). The credit can be applied to future aquatics lessons or any other Montgomery County Recreation program.

Please check each pool's listings for lesson schedule changes due to facility conflicts. Lessons will be held on all other days the facility is open.

HEALTH/WELLNESS

Meditation

Introduction to Mindfulness Meditation
Ages 18 & Up: Cultivate a greater awareness of the unity of mind and body. Mindfulness meditation helps practitioners stop worrying about forces not under their control, using mindfulness techniques including a full-body scan, seated meditation, walking meditation and eating meditation. No prior meditation experience is needed to enroll in this class.

1 Session $49
Instructor: Jerry Hartman
75146 Lawton CRC 1/25 Sa 10 a.m.-2:00 p.m.

Using Mindfulness to Increase Happiness
18 & Up: For most of us, happiness is dependent on outside conditions. We suffer from the “if only” disease and never have enough to be satisfied. Possessions, jobs or relationships - we’re always looking for the next big thing that will finally make us happy. Eventually we realize that approach doesn’t work. Mindfulness meditation gives us tools to create a lasting happiness that doesn’t rely on others. We’ll explore how clinging to our attitudes and possessions create dissatisfaction, and how loving, kindness, generosity and gratitude can help change your outlook on life. No prior meditation experience is required to participate in this class.

1 Session $49
75145 Germantown CRC 2/1 Sa 10 a.m.-2 p.m.

Half-Day Silent Meditation Retreat
NEW! 18 & Up: Join instructor Jerry Hartman for a half-day of silent retreat from the turmoil of daily life. At the beginning of the class, the teacher will provide guidance to help you settle into silence. As the day goes on, there will be less guidance as you learn to explore on your own. We will alternate periods of seated and walking meditation. Both beginning and experienced mindfulness practitioners are welcome.

1 Session $49
75148 Potomac CRC 2/22 Sa 10 a.m.-2 p.m.
Mindfulness of the Body
18 & Up: Of the four foundations of mindfulness, the first and most important is mindfulness of the body. As infants, we learn unconsciously to interpret everything that happens in our lives as pleasant or unpleasant based on how we experience it through the five senses in our body. And yet, as we grow, most of us forget this and live our lives from the neck up. Join us for a half day of meditation, short talks, and group discussions which will increase your awareness of the body and its relationship to the mind. No prior meditation experience is needed to enroll in this class.

Montgomery County Recreation welcomes and encourages individuals with disabilities to participate in Therapeutic Recreation Programs and/or Inclusion Services.

Therapeutic Recreation programs are designed for people with disabilities. Therapeutic Recreation groups are smaller than those in general recreation programs and the staff is trained to work with individuals with disabilities. The programs provide skill development and leisure education while encouraging participation and socialization. Available activities include aquatics, arts, general fitness, sports and special events.

Inclusion Services provide accommodations such as sign language interpreters, large print, hearing aids and companions support to facilitate equal access to general recreation programs. To request accommodations call 240-777-6870 or email rec.mainstream@montgomerycountymd.gov. Placements are limited and are not guaranteed. Personal care is not provided for any program. 55+ Bone Builders
Bone Builders is a free, volunteer-led exercise program brought to you by Montgomery County Recreation, Health and Human Services and the RSVP Volunteer Program. One-hour classes twice per week are designed to increase bone density. Participants lift ankle weights and hand weights and participate in warm-ups, cool-downs and balance exercises.

Bone Builders has a strict attendance policy. Participants may register for only one class and must consistently attend twice per week to keep their spot.

Interested participants are encouraged to observe a class prior to registering. For more information call 240-777-4925.

Registration begins November 12 at 8:30 a.m.
