The salary schedule shall contain a longevity increment for bargaining unit members who are at the maximum of their pay grade and have completed 20 years of service (beginning of year 21) equal to a 3 percent increase to be paid the first full pay period following their 20-year service anniversary. (See Appendix VII). Effective July 1, 2017, the value of the longevity increment after 20 years of service for bargaining unit members on the Correctional Officers or Deputy Sheriff Uniform Salary Schedules shall increase from 3 to 3.5 percent. Effective July 1, 2018, the 20-year

longevity increment for bargaining unit members in the OPT/SLT Salary Schedule only will be replaced with a longevity increment for bargaining unit members who are at the maximum of their pay grade and have completed 18 years of service (beginning year 19) equal to a 3 percent increase to be paid the first full pay period following their 18-year service anniversary. Bargaining unit members who are at the maximum of their pay grade and have already completed 24 years of service as of July 1, 2018, shall receive their 24-year longevity increment effective the first full pay period after July 1, 2018. Effective July 1, 2019, the salary schedule for bargaining unit members on the Correctional Officers and Deputy Sheriff Uniform Salary Schedules shall contain an additional longevity increment for bargaining unit members who are at the maximum of their pay grade, and have completed 24 years of service (beginning of year 25 equal to a 2.5 percent increase to be paid the first full pay period following their 24-year service anniversary. Correctional Officers and Deputy Sheriffs who are at the maximum of their pay grade and have already completed 24 years of service as of July 1, 2019, shall receive their 24-year longevity increment effective the first full pay period after July 1, 2019.

5.2 Wages

- (a) Effective the first full pay period following December 8, 2019, each unit member shall receive a 2.25 percent general wage adjustment (GWA). Bargaining unit employees shall be paid a base salary pursuant to the uniform pay plan, which appears in Appendix VII of this Agreement. An equivalent increase shall be made to the Deputy Sheriff and Correctional Officer Uniform Salary Schedules, which appear in Appendix I and IV of this Agreement, respectively.

For FY21, the County Executive agrees to timely submit a supplemental appropriation to the County Council for earlier funding (prior to June 20, 2021) of the GWA and other deferred provisions under the following circumstances:

- **the County's total revenue and revenue projections for FY21, as determined by the Montgomery County Department of Finance and Office of Management and Budget, are in excess of the FY21 Council approved revenue figures by at least \$20 million. The County will review the revenue and revenue projections at the end of each quarter for the conditions above. This review will be completed no later than one month after the conclusion of each quarter, and the results will be shared with the Union;**
- **the Council grants an increase to any Montgomery County Government employee group (excluding service increments or longevity steps, or statutorily-granted increases to elected official's compensation); or**
- **the Council approves tax-supported spending in excess of the approved FY21 tax-supported budget (excluding spending related to the response to COVID-19) by at least \$200,000.**

If the Council approves the supplemental appropriation, the adjustments shall be effective the first full pay period after the appropriation is approved. The adjustment may not show on the employee's pay advice for up to two full pay periods, but the adjustment will be paid retroactive to the effective date.

- (b) All previously postponed general wage adjustments will not be paid in FY **2021**.
- (c) Each unit member who is not eligible to receive a service increment funded in this agreement shall receive a \$1,000 lump sum payment in FY20. This payment will be made in one lump sum, by separate payment, on the same pay date as the one associated with the first full pay period after July 1, 2019. The lump sum payment is considered regular earnings for income, withholding, and employment tax purposes. The payment will not be added to the employees' base salary. The payment will be prorated for part time employees. These payments are not considered "regular earnings" for retirement/life insurance purposes and employees will not receive any retirement/life insurance benefits based on these payments. Employees will not be required to contribute toward their retirement for this payment.

5.3 Shift Differential

- (a) Effective the first full pay period after July 1, 2013, each employee required to work a shift that begins between the hours of 2:00 PM and 10:59 PM shall receive \$1.40 for each hour worked and \$1.56 for each hour worked on a shift that begins between the hours of 11:00 PM and 5:00 AM. Employees who begin a shift at or after 12 noon will be paid a shift differential for hours after 2:00 PM when 75 percent of their work hours are scheduled within the designated times above.
- (b) Employees receiving a shift differential of 5 percent of base salary for a non-rotating shift as of June 30, 1990, shall retain the dollar amount of that differential in lieu of the amounts specified in subparagraph (a) above. The dollar amount received as a differential as of June 30, 1990, shall remain constant during the term of this Agreement. Any employee vacating or filling a position previously subject to the 5 percent differential, shall no longer be entitled to the same.
- (c) Employees receiving a shift differential under subparagraph (b) above shall automatically become eligible for shift differential under subparagraph (a) above if the differential in (a) is greater than the amount received by the employee under (b) above.
- (d) Ride-On Shift Differential

Ride-On drivers currently starting AM runs at or before 4:29 AM shall receive the differential for the entirety of their AM run. Any shifts beginning between 4:30 AM and 5:00 AM shall be paid the differential for the first 4 hours of their shift.

5.4 Multilingual Pay Differential

A pay differential for the use of multilingual skills is to be based upon the following criteria:

- (a) Basic Skills. - Basic skills are defined as those skills primarily required for oral or sign language communication and comprehension such as those used in conversation with

clients and residents. The department head must certify that certain jobs may require occasional use of basic multilingual skills.

- (b) Advanced Multilingual Skills - Advanced skills are defined as those skills required for written communication and comprehension in a second language, in addition to skills in oral communication and comprehension. The department head must certify that certain jobs may require occasional use of advanced multilingual skills.
- (c) Compensation - Compensation is determined by the employee's language skill level. Compensation is paid for all hours actually worked during the pay period. Effective the first full pay period after July 1, 2003, employees certified at the basic skill level will receive \$1.00 per hour for all hours actually worked. Employees certified at the advanced skill level will receive \$1.50 per hour for all hours actually worked.
 - (1) Certification - Prior to eligibility for any of the above compensation, affected employees will be required to successfully pass a certification examination administered by the Office of Human Resources. Testing will consist of a brief oral performance examination for those positions that may require basic multilingual skills. A written examination assessing comprehension/translation skills will also be administered for those positions that may require advanced skills. Both of these examinations will be designed to assess skills.
 - (2) Overtime - Employees will be paid overtime on the multilingual differential only for the use of skill during hours subject to overtime pay, i.e. in excess of the regular workweek.
 - (3) Appeals - The designation of positions requiring multilingual skills and the levels of compensation are non-grievable and non-arbitrable.
- (d) The Employer, based on operational need, may elect to allow a new bargaining unit employee into the program. In accordance with subsections 5.4 (a) and (b), bargaining unit members who utilize multilingual skills during the performance of their routine duties and on a recurring basis, may submit a request for departmental determination for Multilingual Certification of Basic (ML1) or Advanced (ML2). If the employee's request is approved by the department head, the employee shall be tested by OHR in accordance with subsections 5.4 (c) (1). Upon successful certification, said employee shall receive a Multilingual Differential in accordance with subsection 5.4 (c).
- (e) Ride On bus operators shall be included as an eligible class to receive the multilingual pay differential in accordance with Article 5.4 effective July 1, 2011.
- (f) The Multilingual Certificate Program will limit the testing and certification of employees requiring the use of translation skills during the performance of their duties to the following languages:
 - (a) Spanish
 - (b) French
 - (c) Chinese

- (d) Vietnamese
- (e) Korean
- (f) Amharic
- (g) Sign Language
- (g) **The following subjects related to the multilingual pay differential shall be referred to the County-wide LMRC:**
 - (1) Identification of areas of need for multilingual skills to perform job functions; and**
 - (2) Review of the current multilingual pay status in identified departments.**

Upon agreement as to the identified gaps, a proposal will be prepared and submitted to the Chief Administrative Officer for inclusion in the next County budget. Should the parties not reach agreement by January 1, 2021, the matter shall be subject to the impasse resolution procedures contained in the County collective bargaining law.

5.5 Pay Equity

The Employer shall provide reports on a quarterly basis on the number and nature of reclassifications/reallocations to occupational classes under QES that affect members of the bargaining unit.

5.6 Withholding Prepaid Salary

Employees hired prior to November 22, 1985, have a notice on their paycheck stub reflecting the advance hours for which the employee received pay. The reason for the advance was because of a one-week offset between the time reporting period and the pay check period. The employees received this advance in the first payroll check that they received after they were hired.

In the event of termination, leave without pay (in excess of one work week), change in appointment status, or sick leave donor use, the amount of advance hours is settled with the payroll check following any of these actions and will reflect the repayment of hours advanced. The basis of the final repayment will be the final timesheet for hours worked and/or time paid less the advance hours at the rate of pay received on the November 22, 1985 paycheck. For employees hired after November 22, 1985, there is annually a two-week delay between the Time Reporting Period for reporting time worked or time paid and the time period for pay purposes. Advance hours are not applied to employees hired after November 22, 1985.

5.7 Stand By Pay

- (a) If an employee is required to remain ready during off-duty hours to perform unscheduled and unanticipated work, the County must pay stand-by compensation to the employee at the rate of 15 percent of the employee's regular hourly salary or \$4.00 per hour, whichever is greater. For the term of this agreement, FY20, Fire marshals will be compensated at the

rate of 30% of the employee's regular hourly salary for stand by pay and the rate of 50% of an employee's regular hourly salary on Saturday through Sunday and holidays.

- (b) The Employer must pay stand-by pay to an employee for the entire period that the employee is in stand-by status until:
 - (1) the employee is contacted to perform unscheduled work and has reported to work;
 - (2) the employee's next regularly scheduled work period; or
 - (3) the employee is contacted and relieved from stand-by status.
- (c) An employee is eligible to receive stand-by compensation if the employee's supervisor has notified the employee to remain available to work during a specified period of time outside the employee's assigned work hours.
- (d) An employee who is in call-back, overtime, or regular pay status shall not be eligible for stand-by compensation.
- (e) An employee who is in stand-by status shall be told the following:
 - (1) the reason for the stand-by status;
 - (2) the location to which the employee must report if called; and
 - (3) the approximate duration of the stand-by status.
- (f) To cancel stand-by status, the employee's supervisor or manager must contact the employee and tell the employee that the employee has been relieved from stand-by status.
- (g) An employee in stand-by status must be ready to perform work if contacted and must provide the supervisor or other designated department representative with a telephone number or pager number at which the employee can be promptly contacted.
- (h) An employee in stand-by status must:
 - (1) ensure that the telephone or pager by which the employee is to be contacted is in good working order and is turned on; and
 - (2) promptly notify the supervisor or other designated department representative if the employee must be contacted on a different telephone number or pager number.

5.8 Pay Policies

- (a) Employees are to be paid on a biweekly pay period basis. Salaries under the general pay schedule are computed on the basis of 52 weeks for a work year of 2,080 hours and employees are to be paid accordingly. Upon termination if an employee is indebted to the County, the amount due may be deducted from pay, accrued annual leave or compensatory leave or retirement contributions.

- (b) All employees hired on or after July 1, 2004, will participate in direct deposit of their biweekly pay.
- (c) An employee identification number will be used for all bargaining unit members and that will be the identifier on timesheets, Personnel Action Forms and all other documents where a social security number was used as an identifier.

5.9 Overtime

Overtime work may be authorized by the Chief Administrative Officer or designee when an employee is required to work in excess of the normally scheduled work day or work week, subject to the following:

- (a) Overtime work must be required and authorized by the Chief Administrative Officer or designee.
- (b) Overtime work must be kept to a minimum and must be based on the workload of the County.
- (c) Payment of overtime must be within budget limitations, except as provided in 5.10 below.
- (d) Overtime is paid at the rate of 1½ times the employee's gross hourly rate of pay, including pay differentials.
- (e) Prior to authorizing overtime, the employee must have been in pay status either;
 - (1) more than the regularly scheduled work week, but at least 40 hours, or;
 - (2) more than the regularly scheduled work day, but at least 8 hours;
 - (3) except, if the overtime work is scheduled, then the employee must have been in work status more than the regularly scheduled work day, but at least 8 hours.
- (f) The Chief Administrative Officer or designee may grant to eligible employee's compensatory time at 1½ times the excess hours worked when budgetary limitations preclude the payment of overtime compensation, except when the Fair Labor Standards Act requires overtime pay.
- (g) The Chief Administrative Officer may establish any necessary Administrative Procedures to implement this policy.
- (h) Voluntary and Involuntary Overtime
 - (1) Voluntary Overtime

A voluntary overtime list that identifies those employees who wish to perform overtime work shall be developed by each department. Such lists shall be used to fill overtime needs subject to exceptions based on operational needs, such as knowledge, skills, and abilities as determined by the Employer. Employees shall be assigned on a rotating basis

in order of seniority among those employees in the classification who are on the voluntary overtime list and are able to perform the work subject to the above exceptions. The list should be exhausted before a volunteer is given a second opportunity to work overtime. Employees shall not be required to perform mandatory overtime until the voluntary overtime list has been exhausted.

(2) Involuntary Overtime

In the event voluntary overtime lists are insufficient to provide adequate coverage and subject to operational needs such as knowledge, skills, and abilities as determined by the Employer, employees shall be assigned on a rotating basis in the inverse order of seniority among those employees in the classification who are able to perform the work.

(3) Both the County and the Union recognize that overtime arises out of the need to provide services as determined by the County. Overtime will not be used as a means of permanently reducing staff, avoiding filling vacancies, or eliminating a shift.

(4) Bargaining Unit members assigned to the Stone Street print shop shall be compensated at 1½ times their regular hourly rate when in an overtime status and shall have right of first refusal for bargaining unit work.

(i) Off-duty Work

Bargaining unit employees, below grade 25, required by a supervisor or designee to perform work while off duty, and not otherwise required to report to a designated work location, shall be compensated in accordance with Section 5.9 (d) of this Article.

(j) Unscheduled Absence

Notwithstanding the above, if an employee has an unscheduled absence the day after they have worked overtime such overtime hours shall be paid at the employee's regular pay rate (straight time). The number of hours subject to the straight time pay rate will be equal to the number of hours of the unscheduled absence unless the Fair Labor Standards Act requires overtime pay at the time and one-half rate. A scheduled absence, for the purposes of this section, is leave that is requested and approved at a minimum during the employee's work period preceding the work day for which the employee is requesting time off or while working the day following a day in which overtime was worked, requests and is granted leave subject to workload requirements as determined by the employer.

(k) With the exception of the Emergency Communications Center (ECC) and any department where an agreement on overtime already exists, UFCW Local 1994 MCGEO bargaining unit members shall be given the right of first refusal for UFCW Local 1994 voluntary overtime work.

5.10 Limitations on Overtime

(a) Employees Grade 25 and Above

Employees at Grade 25 and above are not usually eligible to receive overtime pay but may be declared eligible to receive pay pursuant to Administrative Procedures established by the Chief Administrative Officer when it is determined to be equitable and in the best interest of the County.

(b) Employees Below Grade 25 Exempt from the Fair Labor Standards Act

Employees below Grade 25 who are exempt from the overtime provisions of the Fair Labor Standards Act are not usually eligible to earn overtime pay but will normally be eligible to earn compensatory time at 1½ times the excess hours worked unless the Chief Administrative Officer or designee authorizes overtime pay.

(c) Employees Not Exempt from the Fair Labor Standards Act

Upon request, nonexempt employees may be granted compensatory time at 1½ times the excess hours worked in lieu of overtime pay.

(d) Alteration of Work Day or Work Week

Subject to Administrative Procedures established by the Chief Administrative Officer and the Fair Labor Standards Act, employees may request reasonable alterations of their normally scheduled work day or work week. In such circumstances, leave time may be granted by the department head on an hour for hour basis. Overtime compensation must not be paid an employee who requests an alteration to the regular work day or work week.

(e) Employees Grade 25 and above exempt from the Fair Labor Standards Act (FLSA)

Bargaining unit employees Grade 25 and above exempt from the FLSA must satisfy a forty-five (45) hour threshold during their regular work week in order to be eligible to receive overtime compensation or compensatory time except as follows: A department head will make every effort to compensate the employee for the hours worked between forty and forty-five hours per week by altering the employee's regularly scheduled work week on an hour for hour basis within the pay period when the excess hours were worked. In the event the department head is unable to alter the employee's regularly scheduled work week on an hour for hour basis within the pay period, the employee will be granted compensatory time on an hour for hour basis.

5.11 Use of Compensatory Time

(a) Compensatory time may not be used until credited and until approved by an employee's supervisor. Application for compensatory time must be made in advance of use. In emergency cases, the employee's supervisor may waive this requirement. Compensatory time balances in excess of 80 hours at the end of the leave year for nonexempt employees under Fair Labor Standards Act (FLSA), may be paid out or carried over for one year at the employee's option.

(b) For exempt employees under FLSA, compensatory time provisions under 9-10(c) of the Personnel Regulations will apply. Not more than 10 days of compensatory time may be carried over from one leave year to the next. Unused compensatory time in excess of this

amount will automatically be credited to sick leave. Upon specific approval of the Chief Administrative Officer, an employee may be permitted to retain a compensatory time balance in excess of 10 days at the end of a leave year whenever it is shown that the employee was unable to reduce the compensatory time balance to 10 days because of emergency or special work load considerations. The carryover of excess compensatory time must be reduced by no later than December 31 of the succeeding leave year.

5.12 Disposition of Compensatory Time at Separation

- (a) When a nonexempt employee under FLSA is separated from County Service, the employee must be paid in a lump sum for earned unused compensatory time. In the event of an employee's death, the employee's estate shall be paid for all unused compensatory time.
- (b) For exempt employees under FLSA, compensatory time provisions under 9-10(d) of the Personnel Regulations will apply. When an employee is separated from the County service, the employee must be paid in a lump sum for up to 80 hours of earned unused compensatory time. In the event of an employee's death, the employee's estate shall be paid for all unused compensatory time.

5.13 Use of Compensatory Time for Purchase of Retirement Service Credits under the Provisions of the Employees' Retirement System of Montgomery County

An employee wishing to purchase retirement service credits pursuant to the appropriate provisions of the Employees' Retirement System of Montgomery County may authorize the conversion of accrued compensatory time to a cash value for the purpose of depositing this amount under the retirement system. Not more than 80 hours of compensatory time may ever be used for purchase of retirement service credits. The lump sum cash value of the compensatory time is to be based on the employee's rate of pay as of the date of conversion. The use of compensatory time for this purpose is subject to the availability of lapsed salary monies within an employee's department and to the provisions of the Employees' Retirement System of Montgomery County. Whenever an employee converts compensatory time for the purpose of purchasing retirement service credits, lapsed salary monies in the employee's department or agency may be used and the monies may be transferred to the Employees' Retirement System of Montgomery County whenever recommended by an employee's department head or agency head and approved by the Chief Administrative Officer.

5.14 Salary on Promotion

A merit system employee who is promoted is entitled to at least a 5 percent increase in base salary, except when the employee has taken a demotion with no loss in salary and is subsequently promoted to a grade which is the same or less than the grade from which originally demoted. For promotions of 2 or more grades employees will receive a 10 percent increase in pay, provided it does not exceed the maximum of the new grade. An employee's salary following promotion may not be less than the minimum or more than the maximum of the new grade.

5.15 Salary on Demotion

- (a) Demotion: The movement of an employee from one merit system position or class to another with a lower grade level assignment. Any loss of pay caused by demotion shall not

exceed 5 percent of base salary for each grade the employee is demoted not to exceed 20 percent of base salary.

- (b) An employee demoted as a result of reduction-in-force, may retain the salary received immediately prior to the effective date of the demotion. Should the demoted employee's salary exceed the maximum for the new pay grade, the salary may be retained for 2 years from the date of demotion. No salary increase will be awarded for so long as the employee's salary exceeds the maximum. If upgraded during the 2-year reappointment period, an employee's salary will be adjusted:

- (1) to the maximum of the new grade if still less than the original salary, or

- (2) as if no demotion had occurred if upgraded to an equal or higher graded position.

At the end of the 2-year salary retention period, the employee's salary must be reduced to the maximum for the grade, if necessary.

5.16 No Pyramiding of Compensation

There shall be no duplication or pyramiding in the computation of overtime and other premium wages.

5.17 General Emergency Pay

- (a) General emergency for the purpose of this Agreement is defined as any period determined by the County Executive, Chief Administrative Officer or designee to be a period of emergency, such as inclement weather conditions. Under such conditions, County offices are closed and services are discontinued; only emergency services will be provided. **The County recognizes that employees should be compensated based on the duration of the declared general emergency and that these emergencies can occur outside of normal business hours.**
- (b) Whenever a general emergency is declared for the County by the County Executive or designee, members of the bargaining unit who are required to work during the period of the emergency shall receive twice their regular hourly rate. In the event that bargaining unit employees are in an overtime status during the period of the declared emergency and are required to work, the employees shall receive their regular rate plus the overtime rate, consistent with pay policies for declared emergencies established by the Chief Administrative Officer memorandum dated January 28, 1987.
- (c) Implementation of General Emergencies shall be in accordance with Administrative Procedure 4-21, dated July 12, 1991. In addition to the above, before making a determination whether to declare a General Emergency, the CAO or designee will consider recent weather reports regarding the amount of precipitation already accumulated, as well as the forecast for further accumulations during the succeeding 8-hour period. Other considerations that the CAO or designee will take into account include whether the major roadways of the County are passable and safe for travel and whether the County public schools have been closed for the day and what actions other public sector jurisdictions in the Washington Metropolitan Region take. The decision whether to declare a General

Emergency shall be based on the cumulative of all these factors and no one factor shall be conclusive or determinative. **The County Executive or CAO should attempt to give employees the earliest notice of whether a general emergency or liberal leave period will be declared.**

5.18 Call Back Pay

- (a) Whenever any employee is required to return to work to perform unanticipated and unscheduled work assignments to fulfill an operational need, the employee must be paid for a minimum of 3 hours, at 1½ times the employee's hourly rate, on each occasion when the employee performs a call-back assignment, regardless of how long the call-back assignment lasts.
- (b) An employee who performs a call-back assignment must be compensated with pay and not compensatory time, unless the department director determines that compensatory time must be given because of budget limitations.
- (c) An employee must be compensated for all time spent on a call-back assignment at 1½ times the employee's regular hourly rate, excluding regularly scheduled work hours beyond the minimum 3 hours of agreed premium pay.

5.19 Employee Overpayments

- (a) Whenever it is determined by the Employer that a member of the bargaining unit has received an overpayment in compensation, notice shall be given to the bargaining unit employee of the facts and circumstances of the overpayment. The employee shall have 10 work days to respond to the notice of overpayment. The Employer shall evaluate any response received and take any action deemed appropriate. In the event that the Employer determines that an overpayment has been made, final notice of the discontinuance of the overpayment and a schedule for repayment shall be provided the employee in writing.
- (b) A bargaining unit employee will not be required to repay the portion of overpayments which has extended beyond a 12-month period.
- (c) Any schedule for repayment shall be based upon the period of time covering the overpayment (e.g. the overpayment continued each pay period for a period of 6 months, the employee would have 6 months to repay the overpayment).
- (d) Employees have a duty to advise the Employer of overpayments. Violation of this provision may result in employee liability for the total overpayment without regard to subsection (b) above and may result in an appropriate disciplinary action.

5.20 On Call Status

On call status is a routine, rotating designation within specific work units to determine the first employee to be contacted and offered the opportunity to volunteer for overtime work or provide telephone assistance. Only employees contacted by a supervisor, or designee, while in an on-call status shall be eligible for appropriate compensation as provided in this Agreement. An employee who is "on-

5.21 Reclassification or Reallocation of a Position to a Lower Pay Grade or an Employee Placed in a Lower Pay Grade as a Result of a Disability.

A department director must ensure that an employee whose position is reclassified or reallocated or placed in a lower pay grade as a result of a disability:

- (a) keeps the salary the employee received immediately before the effective date of the reclassification or reallocation (or the salary received immediately prior to the effective date of the demotion or change to lower grade in cases of disability); and
- (b) receives a general wage adjustment that other employees in the same occupational class covered by the same salary schedule receive even though it results in the employee's salary exceeding the maximum salary for the pay grade or pay band assigned to the position.

If the bargaining unit member works more than 3 hours, he or she shall be compensated at the rate of 1½ times his or her regular hourly rate for every hour spent in court. When an off-duty bargaining unit member is required to appear in court 2 or more times during the initial 3-hour period, the officer will not be entitled to receive additional compensation until 3 hours have elapsed since he or she initially appeared in court that day.

ARTICLE 6 - SERVICE INCREMENTS

6.1 Service Increments

- (a) A service increment is a 3.5 percent increase in salary that is granted annually, upon approval of a department head, to each employee having merit status who assumes the duties and responsibilities of their position at an acceptable level of competence as determined by the department head and whose work generally meets expectations. A service increment can be granted only to the extent that an employee's salary does not exceed the salary shown on the maximum salary column of his/her assigned pay grade.

Service increments are earned by performance of work at an acceptable level of competence. An employee cannot be awarded a service increment automatically or solely on the basis of length of service.

- (b) Each merit system employee is eligible to be considered each year for a service increment award to be effective on the assigned increment date.

6.2 Reassignment of Service Increment Date

- (a) A new service increment date must be assigned by a department head whenever an employee has had the service increment delayed or the employee's increment date occurs during a period of a within-grade reduction, or the employee has been on authorized leave without pay (excluding leave without pay for military service or professional improvement leave) for a period exceeding 10 work days. An employee who is given merit system status after the probationary period is extended or who is granted an increment after a delay, must have as a newly assigned increment date that date on which merit system status is granted or on which the delayed increment becomes effective. This rule must apply to an employee on a military temporary appointment as applicable. Any increment date reassigned must be approved by the Chief Administrative Officer or designee before it becomes effective.
- (b) A department head may reassign an employee's increment date to prevent or resolve pay inequities and for disciplinary or other reasons. In such cases, the same type of procedures and appeal privileges contained in subsection 6.4 of this Agreement must apply. Increment dates may also be reassigned by a department head for reasons deemed to be in the best interest of the County service, when the action would not adversely affect an employee. Any increment date reassigned must be approved by the Chief Administrative Officer or designee before it becomes effective.

6.3 Retention of Assigned Increment Dates

In special circumstances, when it is deemed in the best interest of the County service, a full-time or part-time employee may be permitted by the Chief Administrative Officer or designee to retain an increment date which would otherwise be subject to change as provided in this subsection.

6.4 Notification of Service Increment Delay

Notwithstanding other provisions of this section, in all cases of service increment delay the affected merit system status employee must be notified in writing by the department head of the reasons for the action prior to the effective date, and be informed of the right to file a grievance.

6.5 Effective Dates of Salary Changes

The effective date of a salary change must always be the beginning of a biweekly pay period.

6.6 Service Increment Dates

The increment date of each employee is the date of employment unless the originally assigned increment date has been reassigned under these regulations. The effective date of any pay changes

resulting from approved service increment awards is the first day of the pay period in which the employee becomes eligible for the awards.

6.7 Service Increment Delay Resulting from Work Absences

A service increment may be delayed by a department head when an employee is absent from duty (other than annual, compensatory, military, political, parental or holiday leave) for 50 percent or more of the rating period. However, if the absence is due to a service connected injury or illness as determined by the Workers' Compensation laws of Maryland, the increment shall not be delayed if the employee received a satisfactory evaluation in the preceding rating period.

6.8 Effective July 1, 2019, eligible bargaining unit employees shall receive an annual service increment of 3.5 percent as described in this Article.

6.9 Service increments that eligible bargaining unit employees were scheduled to receive in FY 2011, but which the County Council elected not to fund for FY 2011, shall be granted and phased in over three years, with the first phase of the 3.5 percent occurring as a 1 percent increase effective during the first full pay period following January 1, 2020. The second phase of 1.25 percent shall be granted during the first full pay period after July 1, 2020, and the third phase of 1.25 percent shall be granted during the first full pay period after July 1, 2021. The FY 2012 and FY 2013 increment that eligible bargaining unit members would have received in FY 2012 and FY 2013 will not be paid in FY 2020 or 2021. Continued deferment of these increments does not prohibit the parties from discussing alternate resolutions in future collective bargaining negotiations.

ARTICLE 7 - ACCELERATED WITHIN GRADE ADVANCEMENT

7.1 Special Within Grade Advancement

In special or emergency situations, a merit system employee filling a position that is assigned to an occupational class or group which may be considered to be in "short supply" may be advanced; provided, that work is being performed at an acceptable level of competence, whenever it can be clearly shown that it is very difficult to attract and retain in the County service qualified and competent persons in such occupational classes or groups. An employee may also be advanced in recognition of an exceptional act or an act of heroism in performing official duties and responsibilities or to resolve a pay inequity.

7.2 Effect of Accelerated Within-Grade Advancement on an Employee's Eligibility for Other Within-Grade Advancements and General Pay Increases

Except as may be specifically provided in this Agreement, an employee's eligibility for normal service increments or general pay raises will not be affected by accelerated within-grade advancement.

ARTICLE 8 - SENIORITY

8.1 (a) Length of service (seniority) for the purpose of this Agreement, excluding purchased credited service under the Employees' Retirement System (Chapter 33, Article III of the Montgomery County Code) shall be calculated based on total County service, except in cases when breaks in service of 2 or more years occur. In such cases, service prior to the break in Service shall not be counted.

- (b) In the event that there is a tie between or among 2 or more employees regarding their calculated seniority, the tie will be broken on the basis of the sum of the last 4 digits of each affected employee's social security number, with the employee having the higher sum of the 4 digits being deemed the more senior.

8.2 An employee's seniority shall be terminated and all rights under this Agreement forfeited for the following reasons: discharge for cause, voluntary quit, resignation, or retirement.

8.3 (For SLT Bargaining Unit Employees Only) The filling of vacancies by transfer or promotion will be made from the highest rating category of the eligibility list, based on criteria established by the Employer.

- (a) For job classes in the SLT unit on the attached list, if the highest rating category contains two or more employees, selection will be based upon seniority.
- (b) For all vacancies to be filled by transfer or promotion other than those specified in subsection (a) above, seniority shall be considered when qualified candidates are otherwise deemed reasonably equal.
- (c) If any individual is selected to fill any vacancy in (a) and (b) because of affirmative action, the appointing authority must submit written justification for such action, which then must be approved by the Chief Administrative Officer or designee and made a part of the selection record.

9.3 Vacancy Announcements

- (a) Announcement of employment opportunities must receive appropriate distribution to enable and encourage qualified candidates to apply. Announcements should be open for at least 2 weeks. In unusual circumstances, the Chief Administrative Officer or designee may shorten the 2-week announcement period. Announcements must contain specific information about examinations, minimum qualifications, duties and other relevant job factors. Length of County service (seniority) shall be considered when qualified candidates are otherwise deemed reasonably equal.
- (b) The Chief Administrative Officer or designee may establish a reasonable deadline for receipt of application for announced vacancies and provide for open continuous examinations for entry level positions. Applications may be accepted at any time for future consideration when vacancies occur, but must not be considered for a vacancy if submitted after an announced deadline.

9.4 Employees are entitled to a copy of their class specifications upon request, which includes a written list of duties and responsibilities assigned to a position.

9.5 In the event that the Employer creates a job classification that is covered by this Agreement, the Employer agrees to meet and confer with the Union concerning the appropriate wage rate for any such classification. Whenever the Employer decides to include or exclude a position from the bargaining unit pursuant to Section 33-105(b) of the Montgomery County Code and the Union files an objection to the decision with the Labor Relations Administrator, the parties shall hold a pre-hearing conference to attempt to resolve the issue of the bargaining unit status of the position.

9.6 When a class or position is abolished that contains an incumbent unit employee, the employer agrees to ameliorate the effect on the subject employees, pursuant to Article 27.

9.7 In-service training deemed necessary by the Employer to improve skills related to an employee's current position shall be rotated throughout the workforce of the affected departments to assure that every employee eligible is given the opportunity to attend. Such training shall be on County time. The County shall provide to bargaining unit members, during working hours, with no loss of pay, training in the use of the equipment they are assigned to operate.

9.8 Noncompetitive Reappointment

An employee demoted or terminated as a result of a reduction-in-force, disability, or reclassification may be reappointed or promoted noncompetitively, provided such action is approved by the Chief Administrative Officer or designee and:

- (a) reappointment or promotion would be to a position at the same or lesser grade level held at the time of separation or demotion;
- (b) the individual fully meets the requirements for the subject position;

- (c) the individual successfully passes a physical examination, if required, for the position;
- (d) the individual had successfully completed the required probationary period prior to separation; and
- (e) the individual had applied for reappointment or promotion within 2 years from the date of demotion, separation or retirement.

9.9 Classification Issues

The parties agree that the Classification process is intended to ensure that employees are in appropriate job classes based upon the required knowledge, skills and abilities of their positions.

- (a) "Administrative Review" of reclassification/reallocation actions for bargaining unit positions will be limited to only those positions which have been downgraded.
- (b) The incumbent of any bargaining unit position whose position has been downgraded since July 1, 1992, through reclassification or reallocation and whose salary exceeds the maximum for the new pay grade will not have their salary reduced as a result of the downgrade.
- (c) Classification and grade level review of an occupational class that is predominately populated by OPT or SLT bargaining unit positions, or a review of the classification assignment of an individual position, may be requested by the Union at any time during the month of June.
 - (1) A total of 25 Individual studies will be accepted in June 2017 in preparation for the FY 2018 studies. A total of 25 individual studies will be accepted in June 2018 in preparation for the FY 2019 studies.
 - (2) The threshold for accepting individual position studies consists of the following

10.2 Definition

A grievance is any complaint by the certified employee organization arising out of a violation or misinterpretation of any provision of the collective bargaining Agreement, including disputes arising over changes in existing work rules and working conditions referenced in Article 31, Maintenance of Standards/Retention of Benefits and Conditions.

All future work rules or practices governing terms and conditions of employment shall be subject to the grievance procedure should the employee or the certified employee organization believe that they are in conflict with any provisions of this Agreement.

10.3 Discipline Grievances

Oral admonishments and written reprimands are not subject to review under this procedure. Any employee initiating a grievance under this procedure regarding suspension, demotion, termination, or removal waives any right to have that action reviewed by the Montgomery County Merit System Protection Board.

10.4 Exclusivity of Forum

This procedure shall be the exclusive forum for the hearing of any grievance and the exclusive remedy for any grievance as defined above.

10.5 Granting of Relief

Relief that is granted at any level of this procedure, as stated in any formal grievance, shall end further processing of the grievance.

10.6 Procedure

- (a) A written grievance must be presented to the immediate supervisor, Department Director, and **OLR** by the Union within thirty (30) calendar days from the date of the event giving rise to the grievance or the date on which the employee knew or should have known of the event giving rise to the grievance.

In the event that the grievance is not resolved, at either party's request, the mediator shall provide an oral recommendation or opinion. Neither party is obligated to accept the recommendation. The mediator's recommendation/opinion shall be incorporated into **OLR's** transmittal memorandum to the CAO that accompanies the draft CAO decision.

- (d) If the grievance is not settled at the CAO/grievance meeting, the CAO or designee shall respond in writing to the grievance within forty-five (45) calendar days after the meeting.

10.7 Waiver/ Appeal

Failure of the Union to file or appeal a grievance within the specified time limits, unless otherwise waived, in writing, will result in the grievance being considered withdrawn. Failure of the Employer to issue a CAO decision in accordance with section 10.6(d), unless otherwise waived, in writing, will automatically advance the grievance to arbitration with the Employer solely assuming the arbitrator's costs. (This is not intended to include cancellation fees in the event the Union seeks a cancellation or rescheduling of the arbitration, or attorney's fees. The Employer retains the right to grant the relief requested in lieu of proceeding to arbitration.)

10.8 Mutual Waiver

The parties recognize and agree that the purpose of this procedure is to provide for equitable resolution of disputes. Therefore, in the administration of this procedure, the parties agree to interpret the terms of this procedure in a manner conducive to dispute resolution. In order to minimize these disputes and improve the efficiency of governmental operations, the parties agree to voluntarily utilize the following processes.

Presentation and format shall be established by the Committee.
- (6) If parties agree with the recommendation of the Committee, Notice of Disciplinary Action is issued with no grievance. At any time, an employee/Union or supervisor may contact the **Office of Labor Relations** to request such services. In such cases involving specific supervisory disputes, the mediator selected will be from the **Office of Labor Relations**. The mediator will maintain the discretion to involve parties appropriate to the dispute. Mediation may be initiated by contacting the **Office of Labor Relations**.

10.14 Grievance Scheduling and Tracking

- (a) The parties will schedule two (2) days per month for CAO/grievance meetings.
- (b) A CAO/grievance meeting is not confirmed until it has been confirmed by all parties.
- (c) If the grievant fails to appear for a CAO/grievance meeting, the meeting may be rescheduled one time. Failure of the grievant to show for a second time will result in the meeting proceeding without the grievant.

The arbitrators shall be selected to hear succeeding grievances in rotation in the order their names appear. 12.4 Appeal of Reassignment

Employees who are reassigned to their former grade during or at the conclusion of the probationary period may appeal such action. An appeal must be filed through the grievance procedure as provided in this Agreement.

ARTICLE 13 - WORK SCHEDULES; ATTENDANCE; HOURS OF WORK

13.1 Work Schedules

The County has the management right to determine the hours when a facility, building, or service shall be in operation or available to County residents, and to determine its staffing needs during

those hours of operation. Should the County change the work schedules of bargaining unit members, the County shall provide three weeks advance notice, unless there is a demonstrated operational need of the scheduling changes to the Union, and upon request, bargain with the Union regarding any bargainable aspects of the implementation of the proposed change. At the time that the County informs the employee of a County initiated change to an employee's schedule, the County will provide the employee and the Union written notice of the reason(s) for the schedule change.

13.2 Work Day and Work Week

- (a) The normal work day for full-time County employees is not less than 8 hours or more than 10 hours, except where otherwise agreed under the terms of section 13.5 of this Article, or where agreed upon by the parties. The normal work week for full-time County employees is 40 hours (excluding all meal periods), Sunday through Saturday. Whenever practicable, 2 consecutive days off shall be granted to employees unless work load requirements and/or demonstrated operational need, require otherwise. The County shall provide reasonable advance notice of any change in the days off.
- (b) The Chief Administrative Officer or designee may authorize the inclusion of a meal period (not in excess of 30 minutes) for each employee filling a position in an occupational class assigned around-the-clock shift schedules. Meal periods must not be included in any computations to determine the amount of compensation or compensatory leave due an employee for overtime work.
- (c) The County recognizes that periodic rest periods are necessary to maintain productivity of employees. Subject to operational and work load needs, employees are entitled to take two 15-minute rest breaks during the work day, in addition to the half-hour meal period. Employees working eight and one-half (8.5) hour shifts who are required to work through their meal period will have the half-hour meal period counted as hours worked for overtime purposes.
- (d) The County recognizes that adequate rest periods are necessary to maintain productivity of employees and to ensure the safety of employees during general emergencies. Employees can request additional rest after their regularly scheduled work hours. Supervisors will make reasonable attempts to accommodate the request. Departments shall provide sleeping accommodations for employees required to work overnight or extended hours or are unable to leave the work location due to a general emergency.**

However, the department head or the Chief Administrative

Officer may consider whether discipline is appropriate in situations where the employee of the Union demonstrates that the absence is a result of extraordinary circumstances beyond the control of the employee.

13.5 Flextime

(a) Implementation Standards

Flextime shall be implemented by the Employer in accordance with the following standards:

- (1) operational requirements must be met;
- (2) service to the public or client population must be maintained or improved;
- (3) costs to the County will not be increased;
- (4) each office or operation must be covered during the normal period of public service;
- (5) flextime will not diminish the ability of the Department to assign responsibility and accountability to individual employees for the provision of County services and the performance of their official duties; and
- (6) flextime will not affect the 40-hour work week or the 80-hour pay period for full-time employees.

(b) Exclusions

It is recognized that some operations within the County Government do not lend themselves to flexible work hours. Department heads may exclude organizational units or positions from flextime. Where flextime is allowed, department heads may specify the types of flextime that will be available to employees in accordance with operational requirements, and may exclude employees with bona fide performance or attendance problems. Decisions by department heads to exclude organizational units, positions, or individual employees with performance problems are not grievable or arbitrable under this Agreement.

(c) Employee Requests

In the positions or organizational units where flextime is permitted, requests from employees for any type of change in work schedule or work hours will be considered on the basis of the above standards and the workload of the organizational unit involved. It is recognized that when requests from employees for changes in work hours or schedules have already been granted, this may preclude the granting of subsequent requests from other employees. If a supervisor grants a request for a change in work hours to one employee and denies the request of a similarly situated employee in the same grade and class, the denial may be grieved under Article 10 of this Agreement based on a claim that the denial is arbitrary or capricious. Upon request, a supervisor shall provide a written explanation as to why a request for flextime has been denied.

(d) Compressed Work Week

Bargaining unit employees shall be eligible to participate in the County's compressed work week program adopted by the Chief Administrative Officer on December 17, 1992. (e) Alteration of the Workday for FLSA Non-Exempt Employees

Non-exempt employees may request an alteration of the workday in lieu of overtime compensation. In such cases, an employee may, upon approval by the supervisor, reduce a workday in consideration of time worked in an overtime situation. Time worked is to be exchanged on an hour-for-hour basis. Exchanges between days must be done within the same workweek.

(f) Alteration of the Workday or Workweek for FLSA Exempt Employees below Grade 25

Exempt employees below Grade 25 may request an alteration of the workday or workweek in lieu of overtime compensation. In such cases, an employee may, upon approval by the supervisor, reduce the workday or workweek in consideration of time worked in an overtime situation. Time worked is to be exchanged on an hour-for-hour basis. Exchanges between weeks must be done within the same pay period (time sheet).

(g) Alternate Work Schedule for Religious Observance.

An employee may, with the approval of the employee's supervisor, work an alternate work schedule for religious observance.

- (1) A non-exempt employee who is absent from work for religious observance must work additional hours during the same workweek to equal the amount of time taken off for religious reasons.
- (2) An exempt employee may work additional hours for compensatory time in order to use the earned compensatory time to cover work absences for religious observance. The compensatory time must be earned during the 4 pay periods (may be modified to 8) before the absence for religious observance.
- (3) An exempt employee below grade 25 must earn compensatory time for this purpose at the employee's regular (straight time) salary rate.
- (4) An exempt employee at grade 25 or above will begin to earn compensatory time for this purpose after 40 hours in a pay status or immediately after completing the normal workweek.

(h) Dependent Care

Decisions by the Employer concerning flexible scheduling and job swaps shall not be grievable or arbitrable.

However, if the Employer has denied an employee the opportunity to use leave in excess of the maximum allowable accumulation during that leave year, that amount may be carried over for a period of one year, even if in excess of the maximum allowable accumulation but must be forfeited to sick leave if not used during that period.

14.10 Disposition of Accumulated Annual Leave at Separation from County Service

Upon leaving the County service, an employee must receive a lump-sum payment, at the employee's current rate of pay, for the total accrued annual leave as of the date of separation, less any indebtedness to the County Government. In the event of an employee's death, the employee's estate or designated beneficiary or beneficiaries, if permissible by law, must be paid for all accrued annual leave. The parties agree to jointly submit legislation to the County Council providing that for the purposes of retirement benefit calculation, all bargaining unit members shall be credited at the annual salary amounts as if a 4.5% cost of living adjustment had been paid in FY 2010. This means that for a RSP or GRIP participant who is on the County payroll as of June 30, 2009, and who is also on the County payroll as of June 30, 2010, the County will make a one-time contribution to the participant's RSP or GRIP account on the second pay period in July 2010 of .36% of the participant's FY 2010 earnings (as defined in the RSP or GRIP).

Upon return to County employment, the County agrees to make any required employer and employee contributions for the period of military service. In order for employees to be eligible for this credit, the military service must qualify under the Uniform Service Rights and Reemployment Acts (USERRA).

⁹ Funding for section 41.10 was rejected by Council on May 9, 2011. Council alternative approved May 26, 2011, see Appendix XXII.

The parties shall continue their study of the Union's Adjustable Pension Plan (APP) proposal to address the need for employee retirement security, the County's fiduciary responsibility, and avoidance of any accrued actuarial liability as a result of implementing the APP. If the parties reach agreement on the APP, the parties will submit legislation to the County Council to implement the APP by January 2014. Should the parties not reach agreement on the APP by October 2013, the parties retain their rights to impasse resolution under the Collective Bargaining Law.

41.10 Deferred Retirement Option Plan (DROP).

The Employer shall seek the introduction of legislation to the County Council, on or before April 1, 2015, to amend the Montgomery County Code, Chapter 33, Article III to provide for a Deferred Retirement Option Plan (DROP) for sworn deputy sheriffs and uniformed correctional officers under a new Section 33-38A(c), established as follows, with an effective date of July 1, 2015:

Any employee who is a sworn deputy sheriff or uniformed correctional officer (as defined in (a)) who meets the eligibility requirements may elect to retire but continue to work and have pension payments contributed to a DROP account. Pension payments must not be paid to the employee while the employee participates in the DROP. When the employee's participation in the DROP ends, the employee must stop working for the County, begin receiving pension benefits based on the employee's credited service and earnings as of the date that the employee began to participate in the DROP, and receive the DROP account balance.

- (a) "Deferred Retirement Option Plan" or 11DROP11 means the DROP program for sworn deputy sheriffs and uniformed correctional officers. Uniformed Correctional Officer includes only the following positions: Correctional Officer I, Correctional Officer 11, Correctional Officer III, Correctional Dietary Officer I, Correctional Dietary Officer II, and Correctional Supervisor-Sergeant.
- (1) Eligibility. A sworn deputy sheriff or uniformed correctional officer who is at least age 55 years old and has at least 15 years of credited service or is at least 46 years old and has at least 25 years of credited service may participate in the DROP.
- (2) Application requirements. An eligible employee must apply at least 60 days before the employee becomes a participant. An employee may withdraw a pending application within 2 weeks of submitting the application.
- (3) Employee participation and termination. The employee's participation in the DROP must begin on the first day of a month that begins at least 60 days, but not more than 90 days, after the employee applied and must end 3 years after the employee begins to participate or at an earlier date chosen by the employee. When the employee's participation in the program ends, the employee must stop working for the County and receive pension benefits.
- (4) Employment status. An employee who participates in DROP must continue to be a member of the retirement system, earn sick and annual leave, and remain eligible to participate in health and life insurance programs.
- (5) Retirement date, retirement contributions and credited service. The retirement date of an employee who participates in the program is the date when the employee begins to

participate in DROP, and the employee will not make retirement contributions after that date. An employee who wished to purchase prior service must do so before the employee's participation in the program begins. Sick leave in excess of 80 hours will be credited towards retirement at the beginning of the employee's participation.

(6) Pension benefits.

(A) Before an employee's participation begins, the employee must select a:

- (i) pension payment option under Section 33-44 for the regular pension benefits; and
- (ii) pension payment distribution option for the distribution of the employee's DROP account balance.

(B) Pension benefits will not be paid to the employee while the employee participates in DROP, but will be deposited in a DROP account established for the employee by the County. The employee must receive the account balance and the County must close the account within 60 days after the employee's participation in the program ends. Subject to the IRC, IRS regulations and other law, the employee may direct that account balance be rolled over into any eligible retirement plan.

(C) An employee must direct the Board of Investment Trustees to contribute pension benefits to the employee's DROP, account to be invested in one or more of the investment options selected by the Board. An employee's selection of investment options remain in effect until the employee changes the investment selection. An employee must select investment options in order to participate in DROP.

(D) After the employee's participation in DROP ends, the employee's pension benefit will be based on:

- (i) the employee's credited service immediately prior to the beginning of the employee's participation in the program, adjusted to include credit for unused sick leave under Section 33-41;
- (ii) the employee's average final earnings, excluding earnings during the period of participation in DROP; and
- (iii) increases in the consumer price index during the period of the employee's participation that would have resulted in an increase in the employee's pension benefit if the employee had not been participating in the program.

(7) Disability Retirement. An employee may apply for disability retirement prior to the termination of the employee's participation in the program. An employee who receives a service connected disability retirement will receive either, as elected by the employee, the DROP account balance or the service connected disability benefit that would apply had the employee not entered DROP with no DROP account balance. An employee who receives a non-service connected disability retirement will receive the non-service connected disability retirement benefit calculated as of the member's DROP entry date

and the DROP account balance. If an employee's participation in DROP ends before a final decision is made on the disability retirement application, the DROP account will not be distributed until a final decision is made.

(8) Death Benefit. If an employee dies during the employee's participation in the program, the employee's beneficiary will receive:

(A) the death benefit that the beneficiary would have received if the employee had retired on the date on which the employee began to participate in the program, adjusted under subsection (G)(D); and

(B) the balance of the employee's DROP account.

(9) DROP account distribution options. An employee may elect to have the DROP account distributed as a lump sum or an annuity, or to have some or all paid directly to an eligible retirement plan as a direct rollover distribution. If the employee dies before the balance of the DROP account is distributed, the beneficiary may elect to receive distribution of the balance according to any option described in this paragraph as allowed under the IRC and applicable regulations.

must contribute 4 percent of base salary up to the FICA maximum, and 8 percent of base salary above the FICA maximum. The Board of Investment Trustees shall direct investments under the Plan per the ERS. The employer shall annually (effective the first full pay period following July 1st) credit each account with an investment credit of 7.25%.

The employee will be 100% vested in the Employer contributions and investment credits after 3 years of participation.

Employees electing to participate in GRIP rather than RSP shall also receive the benefits listed in 44.5 and 44.6 of this article.

For employees hired on or after July 1, 2009, employees shall be offered a one-time irrevocable choice between the RSP with the contributions as enumerated in Article 44.2 or the GRIP. Employees must make an election 150 days from the date of employment, to be effective as of the first full pay period following the 180 days. If the employee fails to make an election, the employee will automatically be enrolled in the RSP upon the expiration of the 180-day period. Bargaining unit members in the GRIP would be credited with the County contribution of 6% instead of 8% of employee's regular earnings for the July 1, 2011- June 30, 2012 period. However, GRIP members would continue to contribute their full contribution rate during the same period.¹¹

44.8 Post-Employment Group Insurance Committee:

The parties agree to establish a joint committee consisting of an equal number of Union representatives and employer representatives for the purposes of studying insurance cost saving measures regarding post-employment group insurance, including eligibility, premium share for employees hired on or after 7 /1/08, and coverage. The committee shall report to the parties before September 1, 2009.

44.9 Retirement Plan Liability Reductions

Beginning no later than August 1, 2011 the parties shall jointly analyze the Employees' Retirement System, RSP, and GRIP to determine what alternative funding strategies and plan design changes may be adopted to reduce the plan's unfunded liability.

Should the parties not reach agreement on any identified alternatives, then such alternatives shall become subjects of bargaining during negotiations that will beginning November 1, 2011.

44.10

The parties will submit legislation to the County Council that would amend the Montgomery County Code to provide for the following revisions affecting bargaining unit employees;

The County shall offer an annuity distribution option for Retirement Savings Plan ("RSP") members. This annuity distribution is subject to the County receiving favorable private letter ruling from the IRS.

¹¹ Funding for section 44.7 was rejected by Council on May 9, 2011. Council alternative approved May 26, 2011, see Appendix XXII.

Upon the election of the RSP annuity option, the employee's RSP account balance will be transferred to the Employees Retirement System (ERS) to provide a monthly annuity as provided in the Montgomery County Code section 33-44(g)(2) (the GRIP annuity provisions).

- Life Annuity. The employee's account balance is calculated as a life annuity which is a monthly benefit paid over the employee's lifetime with no benefits payable after death.
- Joint and Survivor Annuity. The employee's account balance is calculated as a joint and survivor life annuity which is a monthly benefit paid over your lifetime. At the employee's death, the employee's surviving joint annuitant, who must be the employee's spouse, child or eligible domestic partner, will receive a percentage of the benefit for the rest of his or her life. Generally, the larger the percentage the employee's joint annuitant receives, the less the amount that will be paid to the employee during the employee's lifetime. The employee may choose any percentage but not less than 10%. Typically, percentages elected are 100%, 70%, 50%, 30% or 20%. Benefits end when both the employee and the employee's joint annuitant die.
- Note: any benefits due to a joint annuitant who is a minor will be paid in accordance with applicable State law. Under most State laws, minors cannot receive pension payments directly.

The County shall change the default option from the RSP to the Guaranteed Retirement Income Plan ("GRIP") for all new employee members as follows:

Eligible full-time employees are required to participate in either the RSP or the Guaranteed Retirement Income Plan (GRIP). Employees cannot participate in both PLANS, nor can they change Plans. Bargaining employees hired after July 1, 2015 will be automatically enrolled in the GRIP, unless they complete an election from to participate in the RSP. To enroll in the GRIP, employees do not need to complete an election from, GRIP membership will begin the first full pay period 180 days after the date of hire.

For part-time employees, participation will continue to be optional. Therefore, no default option is necessary.

This default option for members shall become effective (subject to legislative approval) on July 1, 2015.

The parties further agree that the County pension plan will not be subject to the upcoming collective bargaining reopener in Fall of 2014.

44.11 Unitization / Investment Options

The parties shall encourage and support the efforts of the Board of Investment trustees to broaden investment opportunities in the RSP, DROP and County Deferred Compensation Plans by offering unitization of the ERS. The parties agree to enhance the educational offerings for available investment opportunities to include any unitization options.

Should the Board decide not to offer unitization and the parties receive a favorable private letter ruling regarding the re-opening of the GRIP, then the parties agree to include this issue in the next available wage re-opener.

If the 2 opinions differ, the Employer may require a medical opinion from a third health care provider at the expense of the County. The employee and the Occupational Medical Section must jointly agree on the third health care provider, whose opinion is final and binding.

- 2.3 Physical or Mental Impairment - Any physiological disorder, condition, disfigurement, or anatomical loss, or any mental or psychological disorder.
- 2.4 Priority Consideration - Refers to the right of all qualified employees with disabilities in need of reassignment to be considered for vacancies at or below the grade they hold. Such employees who apply for any vacancy at or below their grade level will be placed on a special eligible list for that position. Appointing authorities must make appointments from special eligible lists in lieu of filling vacancies by any other means. Employees will be entitled to priority consideration for vacancies in the same branch of government to which they are assigned.
- 2.5 Qualified Applicant - An individual who is qualified by experience, education and/or training to be a candidate for an available position with the County.

(c) enable an employee with a disability to enjoy equal benefits and privileges of employment.

2.8 Reasonable Accommodation Referral Form - The form utilized by departments to refer an employee with a disability to the Disability Program Manager for assistance with reasonable accommodation.

3.3 Montgomery County Government will make reasonable efforts, through job restructuring and/or reassignment, to accommodate an employee who has a disability that prevents him/her from fully carrying out the duties of his/her position.

GENERAL

4.0 When the reasonable accommodation effort results in a voluntary demotion and the maximum for the pay range of the new grade is less than the employee's current salary, the employee will retain his/her current salary. Additionally, the employee will receive any future annual general wage adjustment that other employees in the same (new) occupational class covered by the same salary schedule receive, even though the employee's salary will continue to exceed the maximum salary for the pay grade assigned to the employee's new position, consistent with Section 5.22 of the Agreement.

- 4.1 Where a temporary interdepartmental light duty assignment is made, the department from which the employee is leaving will be responsible for the employee's salary and fringe benefits for the term of the light duty. Temporary light duty must not exceed 6 months unless specifically approved by the Chief Administrative Officer. If a long-term placement evolves, normal transfer/promotion procedures will be utilized.
- 4.2 Every effort will be made to involve the individual with a disability in identifying and implementing reasonable accommodation and reassignment for that employee.
- 4.3 When an employee needs reassignment as an accommodation for a disability, a maximum of 90 days will be allocated to secure a placement. Priority consideration will be given for any position for which the person qualifies. If it is determined that reasonable accommodation cannot be made, request the employee's department to initiate a disability retirement application.

 - (a) Coaching: Coaching is a non-disciplinary, supervision tool that utilizes interactive communication between a supervisor and an employee with the intent to have a positive influence on the employee and the department. The goal of coaching is to enhance the employee's motivation, performance, awareness, and professional development. Coaching may be a one-time event or a process that occurs over time. Coaching may be used by a supervisor to recognize the quality of the employee's work, identify opportunities for improvement, and provide guidance and direction to the employee to maximize the employee's knowledge, skills and abilities.
 - (b) Conduct: Job-related behaviors that are necessary for maintaining an orderly, safe, and productive work environment.
 - (c) Counseling: A discussion between an employee and supervisor about the employee's conduct or performance that includes efforts taken by a supervisor to give feedback or improve conduct and performance.
 - (d) Overall rating: A summary rating in the employee's performance evaluation that best describes the employee's overall level of performance during the period covered by a performance plan
 - (e) Performance evaluation: a supervisor's written evaluation of an employee's performance in relation to the standards in the employee's performance plan. An evaluation may be an interim or annual evaluation.
 - (f) Performance standard: The criteria against which an employee or team is rated. A performance standard is a written description of the quantity and characteristics of the job, the type of work to be performed, or the results that the employee or team is expected to accomplish
 - (g) Performance plan: The document that records performance standards and is the basis for assessment of the employee's job performance.
 - (h) Progress discussion: A supervisor's assessment of an employee's performance in relation to the expectations in the performance plan.
 - (i) Reviewing official: The individual who must review the evaluation and ensure that appropriate performance planning and evaluation procedures were followed by the employee's immediate supervisor. A reviewing official should help to resolve disagreements between the supervisor and employee on the plan or evaluation and ensure that:
 - (i) the plan and evaluation are consistent with this procedure; and
 - (ii) the overall rating is consistent with the individual elements of the plan.

- (j) Review period: The time period during which an employee's performance is reviewed and for which an overall rating is prepared.

(3) Policies.

- (a) All departments must plan for and evaluate the performance of all department employees who are in positions covered by the bargaining unit.
- (b) A department must use a performance planning and evaluation form that is consistent with the attached sample format.

(4) Performance management, the performance plan, the performance planning process, and performance evaluation.

- (a) Performance management. Performance management is the responsibility of the supervisor and includes:

- (i) developing the performance standards for an employee or team at the beginning of a review period;
- (ii) ongoing monitoring of the employee's or team's performance with periodic oral or written feedback, coaching, training, or other action to enhance performance, **including appropriate training for effective coaching, counseling, and mentoring of employees that shall be required for supervisors, managers, and bargaining unit employees as appropriate;**
- (iii) conducting periodic progress discussions, preparing interim evaluations, and developing plans to improve employee performance as needed; and
- (iv) evaluating an employee or team on performance of the elements of the performance plan and awarding an overall rating.

(b) Performance plan.

- (i) Frequency and timing of performance planning. A performance plan should be established within 45 days after an employee begins work in a new position. A new plan should be established for the next review period within 60 days after the review period begins, and will not affect the duration of the review period.
- (ii) Annual review period.
 - (A) The period covered by the performance plan must be 12 months or less.
 - (B) The review period may be linked to an employee's increment date, the anniversary of the employee's hire date if the employee does not receive increments, or the fiscal or program year.
- (iii) Substance of a performance plan.

- (A) Each employee's performance plan must state the performance standards for the employee or team during the review period. Performance standards must describe, at a minimum, the performance level of "Met Expectations" in terms that allow reasonably objective assessment.
 - (B) Performance standards may be stated as a goal, outcome or result expected, numerical criteria, behavior to be demonstrated, task to be accomplished or performed, acceptable conduct, or other expectation appropriate to the job classification and position.
 - (C) A performance plan must be consistent with departmental work programs and class specifications.
 - (D) A performance standard may be developed for an individual, a team, or both.
 - (E) Employees must be given an opportunity to participate in establishing mutually determined professional development objectives and career goals, along with strategies for accomplishment.
- (c) Performance planning process.
- (i) The signature of the supervisor and employee formally establishes a performance plan only after the employee has been given the opportunity to meet with the supervisor for purposes of reviewing the supervisor's expectations and contributing to the plan. The employee's signature indicates only that the employee has seen the plan, and does not indicate that the employee agrees with the plan. If more than one individual directly supervises an employee, each should participate fully in the performance planning responsibilities. The supervisors should share this responsibility in a manner consistent with their roles in directing the employee's work.
 - (ii) If an employee refuses to sign a performance plan, the plan must be referred to the reviewing official. The reviewing official must review the plan and consult with the employee and the supervisor to determine why the employee refused to sign the plan. If the employee still refuses to sign the plan after this consultation, the supervisor must note on the plan that the employee saw the plan but refused to sign it.
 - (iii) Once established, a supervisor may revise a performance only after prior notification and consultation with the employee. While the employee may not agree, he or she is entitled to a full explanation of the supervisor's reasons for any changes. The employees may also, at any time, request that the supervisor change the plan. While the supervisor is not required to accept the employee's proposals, the supervisor will provide a response to the employee's request.
 - (iv) A supervisor must give an employee a copy of the employee's performance plan within 10 calendar days after the plan is established or revised.
- (d) Performance evaluation.

- (i) Supervisor's responsibilities. A supervisor should frequently track an employee's performance, and give timely and specific feedback, coaching, and counseling as needed throughout the review period.
- (ii) Progress discussion. **At a minimum**, after approximately half of the **annual** review period has passed, a supervisor should conduct an **in-person comprehensive progress discussion with any employee who is meeting expectations and must conduct an in-person comprehensive progress discussion with any employee who is not meeting expectations. Such discussion shall** cover all elements of the performance plan **and include opportunities for employee feedback**. The supervisor and employee should sign and date the evaluation form to document a comprehensive progress discussion. The supervisor must document the substance of the progress discussion if the discussion resulted in a change to the performance plan or if specific performance issues were brought to the employee's attention.
- (iii) Supervisors. If more than one individual supervises an employee, each should participate in the performance evaluation. The supervisors should share this responsibility in a manner consistent with their roles in directing the employee's work. Only supervisors, who have directed some aspect of the employees' work or have firsthand knowledge of the employee's performance during the review period, may participate in evaluating and/or rating the employees' performance.
- (iv) Changed supervisors. Where an employee's supervisor changes, and the employee has worked under a performance plan for more than six months prior to the change a performance appraisal is to be completed within 30 days following the change.
- (v) Reviewing official.
 - (A) An employee's second level supervisor is the reviewing official and must review the employee's performance evaluation.
 - (B) The reviewing official may not change an evaluation but may, under exceptional circumstances, withdraw authority to evaluate the employee's performance from the immediate supervisor and reassign the responsibility for conducting a performance evaluation for the employee to an individual who has sufficient knowledge of the employee's performance to conduct the evaluation. In that case, the reviewing official must notify the department or office director of the action taken.
- (vi) Frequency and timing of performance evaluation.
 - (A) A supervisor must give each subordinate employee at least one written performance evaluation in every 12-month period. A supervisor must complete the annual evaluation within 60 days after the review period ends.
 - (B) An interim evaluation may be conducted for an employee who has been working under a performance plan for a reasonable period of time. Examples of the situations where an interim evaluation may be warranted include, but are not limited to, change of supervisor, significant duty changes, and to document changes in performance. Interim

evaluations conducted to document unsatisfactory performance must be done in accordance with Article 26 of the agreement.

- (C) If a supervisor conducts an interim evaluation the supervisor must also conduct an annual evaluation for the employee at the appropriate time.
- (D) If the supervisor fails to conduct the annual evaluation within 60 days after the end of the review period, a minimum overall rating of "Met Expectations" is assumed.

(vii) Substance of performance evaluations.

- (A) A supervisor must record in the written performance evaluation the performance rating of the employee in relation to the performance standards established in the performance plan.
- (B) A supervisor must include in the performance evaluation written comments about the employee's actual performance.
- (C) If members of a team jointly share performance standards, the supervisor may give each member sharing the expectation a team rating.
- (D) The supervisor must note accomplishment or progress toward a career development goal on the performance planning and evaluation form as appropriate.

(viii) Overall rating. The supervisor must give an employee an overall rating using one of the following 4 rating categories as indicated below:

- (A) "Outstanding" This rating applies to performance that consistently exceeds the requirements of the job identified in the performance standards outlined in the performance plan.
- (B) "Above Expectation" This rating applies to performance that has met, and occasionally exceeds the requirements of the job identified in the performance standards outlined in the performance plan.
- (C) "Met Expectations" This rating applies to performance that has met the requirements of the job identified in the performance standards outlined in the performance plan.
- (D) "Below Expectations" This rating category indicates that the employee has met some job requirements but needs improvement in other job requirements outlined in the performance plan.
- (E) "Does Not Meet Expectations" This rating applies to performance that has not met the basic requirements of the job outlined in the performance standards outlined in the performance plan. A rating at this level would be considered unsatisfactory performance.

(ix) Performance evaluation procedures.

- (A) An immediate supervisor must allow an employee to sign and comment on the evaluation. The employee's signature indicates only that the employee has seen the evaluation and does not indicate that the employee agrees with the evaluation.
- (B) If an employee refuses to sign a performance evaluation, the supervisor must make a notation on the evaluation to indicate that the employee refused to sign the evaluation.
- (C) An employee may request a consultation with the department head to the evaluation given by the employee's supervisor. The decision of the department head or other appropriate management official regarding the reconsideration of an evaluation is final.
- (x) Retention of performance evaluations.
 - (A) Performance evaluations must be kept in an employee's official record for 5 years.
 - (B) Performance evaluations and supporting documentation may be kept in a department's operating file for 5 years.
 - (C) After an employee is transferred to a new department, the former department should give the new department copies of the employee's performance evaluations for the last 2 years.
 - (D) Appeals: Consistent with article xx of the collective bargaining agreement, performance standards and evaluations are non-grievable and non-arbitrable.

This program shall have no effect on base pay, classification, individual performance appraisal or any negotiated benefits/rights and/or privileges contained within this agreement.

(a) Eligibility

All bargaining unit employees are eligible to participate in the Rewarding Excellence Bonus Incentive Program as part of a team, provided that the employee has received a Satisfactory or better rating in the employee's most recent performance evaluation. Employee participation in the program is voluntary.

(b) Technical Advisory Panel

Prior to submitting an application to the review panel, an employee team may utilize The Rewarding Excellence Advisory Panel (RETAP) as an optional resource. This panel may review new applications, identifying technical, policy or values conflicts. RETAP members will be selected based on the subject focus. Members may include technical experts from the Office of the County Attorney, the department, the Office of Procurement, and the Union. Panel members may individually examine proposals to expedite the flow of the process. Each response will be completed within 15 calendar days to insure that the application process occurs in a timely manner.

(c) Review Panel

The Rewarding Excellence Bonus Incentive Awards Program shall be administered by an eight-member panel. The OHR Director shall appoint four members, including representatives from: the Finance Department, the Office of Management and Budget, the Office of Human Resources, and the Office of Procurement. The MCGEO President shall appoint four employee representatives. The Panel shall meet on a regular basis to review applications. The Panel may consult with the County Executive, Chief Administrative Officer, County Attorney, Department directors, consultants or others in examining the proposal's feasibility, legality or cost savings generated, or in determining whether to implement the gain sharing proposal.

(d) Application Process

All gain sharing proposals shall be submitted on the application form to be developed by the Review Panel. This form shall be completed by the employee team and shall be submitted initially to the Department director either by paper copy or electronically. The Department director shall have no more than 15 calendar days to examine and review the gain sharing proposal, to affix comments to the proposal, and to forward the proposal to the Review Panel. Each team member shall receive the same amount. Any remaining amount of that fifty percent of the total gain shall be directed for use as startup funding for other approved Gain Sharing proposals in the same department, from the same appropriation fund. APPENDIX XVIII - INTERNAL SALARY EQUITY REVIEW PROGRAM

A. The parties agree to establish a Wage Equity Workgroup consisting of three (3) employer representatives and three (3) Union representatives. The Workgroup will meet from July 1, 2017 to June 30, 2018 and report to the Parties.

The Wage Equity Workgroup will advise on how to standardize the way in which relevant experience, education, training, and skills relevant to the job are evaluated by reviewing selected job classifications.

B. When a newly hired employee, hired between July 1, 2017 and June 30, 2019, (who can enter the bargaining unit after completing their probationary period) is granted a salary above the minimum of the pay grade, the Office of Human Resources agrees to conduct a salary review to compare the salaries of similarly situated incumbents with the salary of the new employee. The Office of Human Resources will give the Union written notification whenever a salary review is prompted by a hire above the minimum of the salary range of the pay grade.

It may be determined that new hires' salaries (this assumes that an offer was made and accepted by the applicant) will affect incumbent employees (who are more skilled than new hires in terms of the relevant criteria) in the appropriate area of consideration (i.e. Department, Division, or Team).

The parties agree that the proper application of pay policies and practices in connection with the implementation of personnel actions is not sufficient to trigger a pay increase for individual employees. These applications include changes in base salary associated with: grants of merit system status, promotions, performance awards, demotion, reclassification, reallocation, transfer, periods of leave without pay resulting in service increment delays, or performance-based actions including service increment delays.

In such situations, if an incumbent's relevant experience, education, training, and skills relevant to the job are greater than those of the new employee, the incumbent will be granted a within-grade pay increase to a point \$500 above the salary of the new employee.

If an incumbent's relevant experience, education, training, and skills relevant to the job are equivalent to those of the new employee, the incumbent's salary must be adjusted so that it is equal to the new employee's salary.

Any changes that are required to be made to an incumbent employee's salary under this section will be effective the date on which the newly hired employee completes their probationary period and enters the bargaining unit, and the pay increase will be retroactive to the date the new employee was hired.

If, after a salary review described in this Appendix is completed, the Union believes that an individual bargaining unit employee is adversely affected by a pay inequity, the Union may file a "pay inequity" grievance under Article 10 of this Agreement and, if necessary, invoke arbitration under Article 11.

The effective date of this Appendix is July 1, 2017 through June 30, 2019. The parties can agree to make revisions to this Appendix during the Work Group's evaluation period.

Resolution No.: 17-149

Introduced: May 26, 2011 Adopted; May 26, 2011

COUNTY COUNCIL FOR MONTGOMERY COUNTY, MARYLAND

By: County Council

SUBJECT: Approval of and Appropriation for the FY 2012 Operating Budget of the Montgomery County Government

Background

1. As required by Section 303 of the County Charter, the County Executive sent to the County Council the FY 2012 Operating Budget for the Montgomery County Government.
2. As required by Section 304 of the Charter, the Council held public hearings on the Operating Budget on April 5, 6, and 7, 2011.

Action

The County Council for Montgomery County, Maryland approves the following resolution:

* * *

67. This Resolution appropriates funds for employee group insurance benefits for the fiscal year that begins on July 1, 2011. This appropriation is subject to the following conditions:

The following cost-sharing provisions must apply to each eligible County employee and each eligible employee of a participating agency whose active employees are paid through the County's payroll system. These provisions do not apply to any eligible employee of a participating agency that does not use the County's payroll system for active employees. These provisions do not apply to any eligible retired employee.

Group Insurance Premiums

(medical, prescription drug, dental, vision, life insurance, long-term disability insurance)

Beginning January 1, 2012, the County must pay 80% of the cost of the premiums, and each employee must pay 20% of the cost of the premiums, for a Health Maintenance Organization (HMO) medical plan, including any prescription drug plan that is bundled with an HMO medical plan.

Beginning January 1, 2012, the County must pay 75% of the cost of the premiums, and each employee must pay 25% of the cost of the premiums, for each benefit plan listed below:

- Point-of-Service (POS) medical plan;
- Stand-alone prescription drug plan (Standard Option plan);
- Dental;
- Vision;
- Basic Life insurance;
- Dependent Life insurance \$2,000/\$1,000/\$100 tier; and
- Long-term disability insurance.

Each employee enrolled in the High Option prescription drug plan must also pay the difference between:

- the County contribution toward the cost of the premium for the Standard Option prescription drug plan; and
- the cost of the premium for the High Option prescription drug plan.

Optional Life insurance and Optional Dependent life insurance (\$4,000 \$2,000 \$100 tier and \$10,000 \$5,000 \$100 tier) remain at 100% paid by each employee.

Prescription Drug Benefits

Beginning January 1, 2012, each employee enrolled in a stand-alone prescription drug plan must receive generic prescription drugs, if available. If an employee chooses to receive a brand name drug that has a generic equivalent, the employee must pay the generic drug co-payment plus the difference between the cost of the brand-name drug and Page 19 Resolution No.: 17-149 the generic drug. This generic drug requirement may be waived only if the employee's doctor certifies in a separate document that it is medically necessary to use a brand-name drug instead of its generic equivalent. The letter of medical necessity must contain details of the medical reason and must be attached to the prescription. If the waiver is approved by the Pharmacy Benefit Manager (PBM), the employee must be charged the brand-name drug co-payment.

Beginning January 1, 2012, the County's stand-alone prescription drug plans must allow each employee to buy up to a 90-day supply of a maintenance medication at any retail pharmacy agreed on by the County and the PBM in addition to using the PBM's mail service pharmacy. An employee must pay a penalty fee if a maintenance prescription is filled at a retail pharmacy other than a pharmacy agreed on by the County and the PBM. This penalty fee is the difference between the mail order cost and the retail prescription cost. This fee is in addition to the corresponding co-payment.

Beginning January 1, 2012, the County's prescription drug plan must limit coverage for each participant to a maximum of 6 doses each month for any drug specifically approved by the Food and Drug Administration for the treatment of erectile dysfunction. Medications currently approved for this purpose include sildenafil (Viagra), vardenafil (Levitra), and tadalafil (Cialis).

These changes to the prescription drug benefit must apply to each participant in the County's prescription drug plan, including each eligible retired employee, survivor, dependent, and employee of a participating agency.

Basic Life Insurance Benefit

Beginning January 1, 2012, for each full or part time employee eligible for life insurance coverage, the County must provide term life insurance coverage equal to the employee's earnings (as defined in the Group Insurance Certificate) rounded up to the nearest thousand dollars. The County will offer each eligible employee the opportunity to buy additional Optional Life Insurance at full cost during Open Enrollment.

Beginning January 1, 2012, for each full or part time employee eligible for life insurance coverage, the County must provide an accidental death and dismemberment (AD&D) benefit. The AD&D benefit includes:

- AD&D insurance of 8 times earnings, up to \$600,000, for a loss of life that is a direct result of an accidental injury sustained in the performance of County employment. A lower amount may be payable for certain dismemberments resulting from accidental bodily injury.
- AD&D insurance of 4 times earnings, up to \$300,000, for a loss of life that is not a direct result of an accidental injury sustained in the performance of County employment. A lower amount may be payable for certain dismemberments resulting from accidental bodily injury.

Modifications - Council approval

Any material change in any part of this paragraph or its application to any employee or group of employees, including any premium holiday or other waiver of premiums for County-provided health or life insurance, is subject to Council approval.
