

## 2016 National Night Out

POLICE • COMMUNITY PARTNERSHIPS

Since 1983, the first Tuesday of the month of August has been designated as National Night Out. That makes Tuesday, August 2 the National Night Out annual observance date for 2016. National Night Out, which is sponsored by the National Association of Town Watch (NATW), is designed to generate neighborhood support and participation in crime prevention efforts and to enhance police and community partnerships. Along with the traditional display of outdoor lights and front porch vigils, many communities celebrate with a variety of events to help neighbors get to know one another and to build community spirit. This is the 33<sup>rd</sup> year of National Night Out observances that demonstrate a community's commitment to keep their neighborhood free from crime.

From the NATW: "Once upon a time, we kept our porch lights on. We opened the door even if we didn't know who rang the bell. And we could always leave the back door unlocked during the day. National Association of Town Watch is the nation's premiere non-profit crime prevention organization dedicated to the development and promotion of crime prevention in communities across the nation. NATW is a network of law enforcement agencies, neighborhood watch groups, civic groups, state and regional crime prevention associations and concerned citizens. Through that network, NATW was able to launch the annual National Night Out campaign."

### Fast Facts about National Night Out:

It is neighborhood and law-enforcement-based.
