Neighborhood Events Matching Funds Grant Program Application Form

Funding Cycle: July 1, 2024 – June 30, 2025

OVERVIEW:

The Montgomery County Government established the Neighborhood Events Matching Funds Grant Program (NEMF) to promote community engagement, encourage capacity building, networking, and stimulate the local economy. This program is administered by the five Regional Service Offices. Neighborhood organizations, block groups, tenant associations, civic clubs, and other community groups that are active and in good standing may apply for funds to hold events and activities by completing this application.

Eligible activities include those that are open to residents and create sustainable and lasting impacts for the neighborhood. Due to increased demand and the limited budget for this program, funding priority will be given to first-time applicants. The maximum fund amount is **\$1000** per applicant, per funding cycle. Funds will be given on a first-come, first-served basis.

INSTRUCTIONS:

Please return the completed application to the grant program manager listed below:

Jake Adler, Community Projects Manager
Montgomery County Government
(240) 447-0216
jake.adler@montgomerycountymd.gov

In completing this application, please fill out the application form and supporting documents (estimated expenses form and matching funds expense form). Proof of payment for the expenditures from the eligible activity is also required. The funds must be matched **dollar for dollar (1:1)** with cash or in-kind donations.

PROCESS:

After consideration of this application by the County, the applicant will be notified as to whether the application is approved and the amount of funds that will be provided to support the activity. Approved applicants will be required to agree to the conditions of the grant program prior to payment by the County.
